

My intro

Posted by FreeSu - 18 Aug 2020 18:56

Hi,

I joined this to get rid and free from pmo for the rest of my life.

I had been addicted very strongly to masturbation from my young age till now. Also, pornography addiction is also there.

I had suffered and gone through continuous spiritual, mental and physical struggle and weakness because of this . Also it had impacted me in my studies, work ,family and social relations

Welcome. You've come to the right place.

A good place to start is to read the GYE handbook:
