ok let me try this again Posted by 5770 - 17 Nov 2020 11:11
Day 1.
This has affected most if not all aspects of my life in very bad ways. Being older probably than many of you I can tell you this does not get any easier.
Hoping to check in regularly and keep on top of this going forward.
thank you,
yaakov

What do you think drives you to be a good father?
Yeah I dont know. Well i am lucky to be home a lot so they get a lot of attention
What do you think the difference is between being a good father and a good husband?
Wow good question! I have no idea. It is easy for me to relate to my kids (well, not the female,

) and be a reasonable father. After all, even a vicious wolf can be a loving parent.
obviously
Care to share how you are managing?
I have no better strategy than reading GYE and posting every day. I am almost on Day 10 and I hope this is a sustainable technique. Using self-guilt is only of value to me AFTER the acting
Thank you for writing. I do appreciate it. ====================================

You are clearly a loving and dedicated father! While that does not <i>necessarily</i> translate into out setul at all being a loyal husband, the two are certainly related, and given your extreme self awareness and honesty, I am 100% certain that BEZH we will be chatting in two weeks with you on Day 24.
I could use help as well - as I fell hard last week and was guaranteed (by no less than "Thank that better days are ahead. You are the definition of a Gadol (think Yosef hatzadik); please daven for me and I will do the same. Stay strong brother - We are in your corner!

thanks for being in my corner, makes a huge differencesending you my brother awesome

GYE - Guard Your Eyes Generated: 5 July, 2025, 18:32 brochos for your continued strength! Re: ok let me try this again Posted by wilnevergiveup - 28 Nov 2020 17:58 I saw somewhere that the difference between parenting and "husbanding" is that when parenting we come into it without expecting to receive anything in return as opposed to marriage where we at best expect to receive in return and in most cases expect to receive more than we give. I think many people find themselves better parents than spouses and this might be the reason. All the best. Re: ok let me try this again Posted by 90dys - 29 Nov 2020 01:42 The energy is reciprocal, as I believe that we are in a similar spot (I am 2 days behind you in cleanliness). One day at a time....but I am optimistic that now is an eis ratzon for us both to BEZ"H make a strong statement to our (very different) yitzrei hara and string together a special

streak of nekiyus.

Not sure why - just a feeling

Anyway, luckily the lady folk in the house started yelling and having a crises which broke the trance I was in.
So here we are, all good now. Day 16.
