Hi SAM,

Maybe you should stick to 'my friend;' your latest name for her might trigger some of the guys here.

TTIW you know the 3 second rule?

It works on gye too. If there's a thread you don't want to snap, just move onto the next one.

I believe SAM should express himself how he's comfortable so long as there's no explicit content such as her name "Chanie"...

I think it's helpful for our bachur to be allowed to vent here.

First step in recovery is validation. For example to step in here and say "the relationship is fake". Even if it would have been, which is debatable, that's not gonna help anyone.

Thistimeillwin I think you should join a meeting at our annual January 1st show headed by HHM and Grant where we will have fireworks chatting about good forum etiquette that may guide some light so Thistimewellwin

feeling far cuz of a recent slip of mz"! Feeling so
! The pain goes from the chest and
slowly you feel it pass downward... feeling like you just wanna bury yourself! Life sometimes
BUT I will take the inner spark
deep inside me and make it into a huge flame! Will wipe away the tears! Turn the tears of
sadness and loneliness to tears of joy! To a soft soothing sound from my mouth while learning!
Gonna go jump right in full force ahead! Pain or no pain! Tonight I wanna be invincible! I wanna
accomplish my dream I wanna learn with a clear mind! I wanna learn feeling so content feeling
1.2.3 GOOOOOOOOOOOOOOOO!!!!
