support

SAM there's a lot of married guys that could learn from your triple A's

Attention

Affection

Appreciation

Markz,

It's called courtship, a distant and foggy memory to most of us married guys.

Alright I concede.

So non married guys replace 3 A's with 3 other letters.

L. Let's meet.

O. Obviously you'll marry me.

L. Love at first sight.

I wanna cry! I'm feeling so alone... it's so difficult... can anyone relate? To a guy that was bullied when he was younger? To a guy that went through a lot of trauma ? To a guy that always felt so alone as a child? To a guy that was scared of the world? To a guy that always wanted close relationships? But... never found anyone?!? It hurts! It sits in me! The one relationship I had that was deep and really so meaningful! I gave up! It hurts me! It's so painful! A whole support system I had went down the drain! There's no girl to text my heart out! There's no girl to receive a warm hug from during

I'm sitting down the block from my love... i wasn't feeling well emotionally tonight! hashem! Thank you! This is for the best!!! (P.S. I mentioned I wanna cry Don't worry I'm crying) I believe in hashem! I did this for you (which is really the best for ME)! So I can serve
