Apparently SAM was arrested by the Captain as he reported that they were scheduled to meet due to the warrant.

It used to be "Uncle SAM wants You"

It became "Uncle SAM is wanted"

Sort of like our president...

All I can say is, we do understand and we do chap, we get the anger and frustration.

May Hashem make this easier for you, and once you rise above you will look back at this time with pride and satisfaction. It is hard to see the light now, but it's there, you will see it once the fog lifts.

Hey SAM

I see how frustrated and anguished you are.

I just wanted to share with you that there were periods in my life where I also felt frustrated and upset and all negative. And I thought that all of this negativity would never end. That I would have to deal with it for the rest of my life.

But, lo and behold, life has a way of making you move past things. Even things that carry high emotional weight. The main ingredient: time. With time, if you let it, you'll learn to move on. You just have to allow yourself this time and not get frustrated if you don't see the results straight away.

Another ingredient, which I found to be important, is to find someone (non-judgmental) to be open with and not to bottle everything up inside.

All in all, I think you're doing great and I stand in awe of the way you're dealing with your situation.

Please, for your sake and for the sake of us all on this forum, keep going and keep inspiring.

Hey all!

It's been a while I haven't been on here decided to take a little bit of a step back especially the moderator told me too... they said I was being a bit too much over here so decided to take a step back a bit! So... I'm on day 35 I think lol haha! But had a couple falls but sill never really spoke on the phone! Or met etc! I've made tremendous accomplishments and achieved a lot and came a far way and the constant battles that face my way Bh hashem is helping me to overcome each one bezH! My learning has increased amazingly Bh! I'm feeling much much better these days! I realized the break has helped for her to be less on my mind! Which makes it much less painful! And every time I do fall back with text or whatever it's interesting to see it get painful again like I think about her and crave her and can't have it so it hurts emotionally ALOT!

! Bh! I'm gonna keep going strong bezH and things will continue for the best! BezH - shtarkandemotional
