bh

Hi everyone, im so happy to be here. just the fact that im in a group of people who will accept me and not judge me is already putting a smile on my face literally right now and give me a boost of positivity, and a feeling of freedom to feel more positive about myself...

thanks, be in touch

Welcome to GYE!

What a great attitude to start this exciting journey!

Maybe share some more details and write us about your successes so we can work together as a group with the help of Hashem.
