

Hey

Posted by Alexander21 - 16 Sep 2022 01:12

Hey I'm a 22 yr old guy and I'm struggling with SSA and I'm trying to overcome it. It's a hard journey and Im still learning new things, and it's still a challenge each day , if anyone else is struggling with this reach out if you have good advice or just wanna talk

Hey Tzaddik!

Welcome to this beautiful community.

As I do not struggle with SSA, I do not have advice for you. I just want you to know that you have come to a place where you will be loved unconditionally and where you will hopefully find those who can assist you in your specific challenges.

Sending hugs,

OivedElokim
