

We gotta get more people on to gye!
Posted by Geshmak! - 02 Nov 2022 06:36

I was just wondering... how do most people find out abt gye?? Like I happened to see it advertised on the seyim hashas booklet and bh this organization changed my life! Like I'm bh close to 100 days not being mzl and I'm over 100 days that I didn't speak to someone on chat lines (I used to not be able to skip a night) I'm still in the process of a full recovery but bh I already see a whole different world and bh have a much better life... but my heart goes out for so many more people that need this help but are not on gye. Maybe it's only we're I live (boro park) we're it not advertised but there is such a need for it! So many people would change there life marriage there connection with wife and kids with just one good conversation with Hhm it's so sad that they don't know abt this.... Or maybe they do but don't get hooked on ... we have to figure out strategy how to get more people hooked to this heligah site if you have a good idea post it and I'm sure gye will be more than happy to do it... like the person my wife cried to more than 3 years ago a very chushivah yid didn't know abt this organization and he tried to help me but he didn't but bh I found out myself abt gye but what abt all the thousands that don't know abt it?!?! At least the chushivah people in each community should know that there is real help . Like I was once having conversation with very chushivah masgiach he told me that once a bucher sees real shemutz he's gone and won't be able to get out... I wanted to scream that he's wrong and thousands of people that were in the shimutz and got out and have successful life's because of gye but I didn't I was scared he'd ask me how I know etc. Like gye is building the most and best site but we need good way to get people on and I think step number one is that the respected people that people come over and say they need help should know that there is help... step number 2 ?looking forward to see some great ides... brainstorm!!

copy pasted from my thread "my story, being honest for once"

BTW I know this thread gets lots of views so just putting this out there - I am a huge fan of Rabbi Eli Portal's "Rolling With The Punches" podcast where he interviews people who have gone through adversity. Would LOVE to hear someone from GYE give an interview on how they overcame their lust addiction and became a healthy functioning and successful person in this aspect and how it affected their life before and after breaking free (Maybe HHM? Nudge, Nudge?).

Just listened to his latest podcast of an anonymous interviewee who at 16 years old found out (kind of by mistake) that he was adopted as an infant.

These interviews give so much chizuk to so many people, and it could be a big help for people who are struggling, and can also help a lot of people get onto GYE.

Food for thought

)

I think it's a awesome idea! Did you ask Hhm to do it??????

Please let me know if there's an interview... thx!

I really think it would help many find out abt gye and get the help they need... (maybe gye should arrange the interview)

Marks post a cute joke on zedjs thread - if your curious to know it check it out... but I want to take it serious! Basically the chabad shiluchem that are staying in airports or other public places asking frayeri yidden (non observant Jews) if they put on teflin yet they should ask Frum yidden in a quiet nice respectful matter if they struggle with porn or sex addictions... I think it's a great idea first because they won't be embarrassed to ask (their not embarrassed of anything) and second the yid won't get embarrassed or hurt by the question and he won't be embarrassed to reply that he does need help cause like he ain't gonna meet this chabadnik again... and if he doesn't need help in this area he'll just get on with his life and not think twice abt what a shilayach just asked him before he's running to catch a flight... (all this stuff are the Malies over a rebbe or someone from your own community ask a person abt it)

I love this idea! Please gye can you please arrange it??? Maybe call the chabad headquarters... they'll be more than happy to help!

I can't wait to be asked the question the next time I fly and I'll say hey that was my idea... and

so currently there are 23 people online by gye.

curious as to the 13k members - how many are active, and how many are since 2009; some of us though have been here for quite some time.

sadly, i was perusing a site of ill repute (just for usa), and here are their stats:

- members - 741,494
- topics - 14,452
- reports - 5,785,827
- online users - 2,812 (several minutes ago it was over 3,000)
- two days before selichos there were 13,650 online
- i can attest (sadly again) that new posts keep flying in from all over the country

what's my point? absolutely nothing; trouble is my name

Trouble. I love you. You know that.

But your use of statistics is pathetic :-)

The truth is who cares! The main thing is that klal yisrel is going strong H' should help further bh gye is up to 13993 members and and bh most of klal yisrel doesn't know abt these shmutz so I would say we're missing another 10,000 yidden that can use help from gye(I'm not saying y that's not sad) but we're ain't that far from it bhy the way it going by next year hopefully all that need help will know abt gye and hopefully get the help they need...

again if you know someone that can use help in this area don't be selfish save he is life and get gye to him send him emails or think of a good way to let him know abt this lifesaver!!

H' KEEP GYE STRONG!!!!
