

Just saying hi! (I'm new)

Posted by tractatek - 15 Dec 2022 16:23

Bye bye GYE and ty. Streak is at 423 days strong. I deleted posts Bec I feel that the chapter of my life dealing with shemiras einayim shouldn't haunt me rather I feel empowered however it's time to turn a new leaf and move on in life. Good luck to you all and I can be reached via email, take care.

[tractatek wrote:](#)

"tractatek"

(continued from last post/got cut off)

kiddushin 56b (top) states that it's not the mouse that should be liable for theft but rather the hole it knows that it can go hide in that's the root cause of the stealing.

So too... It's our conniving and Machiavellian Yetzer Hara that tells us we won't get caught etc.

Chevreh,

let's try accountability even if u can't get that filter try the

taphsic method accountability

aka if u know u have to tell a rebbe or close friend

after every slip-up this helps.

#staypositive

good night

Turn off the light

Watch ur eyesight

Keep up the fight!

Update: Day 120. Had a fascinating 50 minute conversation with HHM today and a much shorter (but still gave me chizuk) conversation with Ki Sorisa. Good night.

Incredible, keeping in touch and also posting actively, you are about 4 months in thats alot, lets keep it going! We all GYE members have the power just need to ignite each in our own ways! HATZLACHA!
