BIG Welcome!!!

Take your time to articulate that Ughhhh.

Looking forward.

[Natedog wrote on 17 Oct 2023 06:56:](#)

ughhhhhhh

You, my friend, have with just a few letters, summed up how I've been feeling for the past few days.

Thanks.

Now, after I've made your post about myself, do you mind sharing with us what pit-in-your-stomach/hole-in-your-soul/ice-in-your-brain caused you to write that?

ughhhhhhhh

I love this game of unscramble

I came out with hhhhhhHUG!!

Sending you a big hug - Looking forward to hearing a teeny bit more
