Hi to all of u!!

Im a real himisha chassidis'h

since I was 15 I discovered M.. did it 7-10 times a week. Yes before rosh hasonah I was clean till After yom kipper and then I fall again. Iwasn't able to stop!!

I got married b"h and then I was not doing it for almost a 3/4 year.

Till it all start again till now for over 14 yrs rc"l. my biggest clean stretch in this 14 yrs was 28 days I wasnt able to do more. so basically I was clean like 3-6 days and the m... came.. shame etc... rc"l

from my wedding nebech for my wife. I gave out my crazy lust on her as an object by fantasizing her as the women that every man lust over her (btw my wife is a real tznuah never mingled b"h. it was just me fantasizing the picture!!) and just fantasizing her with others.... made me M..

So recently I had my 7+ child and I decided to make a STOP to this crazy habit and I now would like to celebrate

???? ?' ???? ??? ???? ???? ?????? Im now going in my 10th Holy day (even wife is not available since she had a baby) and ly"h with hshem's help I will "become" a ?????? Shtiper (Btw Shtiper have a full time torahdiga Job + he learns 3- 4 hrs a day. just !!!!! ????)

Welcome R' Shtiper, and kol hakavod for making the move to GYE. You absolutely can change and be'h we'll be here to watch you do it. It's a gevaldige process and the feeling of success is so geshmak that it's better than the aveira. Reach out to BennyH for some chizuk, and read his thread, I think you'll be able to relate. See you on the other side of 90 days!

Welcome Reb shtiper!

You seem to be a very special person with a strong will to do the right thing.

Do you really want to STOP? Maybe it's time to do something that you did not try before...

That is ... Connect with someone in real life!

You have no idea how many people were helped to be able to finally STOP, when they came out of their hiding and started living with REAL accountability.

In the "Tzetyl Kattan" of the Noam Elimelech it states:

Find yourself a Rabbi or a good friend that you can share all of your evil thoughts and imaginations that go against the Torah. Don't omit anything because of shame. This breaks the power of the Evil Inclination from influencing you. In addition you will receive good advice from

your friend. This is highly worth it.
