Boys have some rachmanus on PY who's going to have to finish the whole thing himself if you don't step up to take a day.

Heck, take half a day and I'm sure someone else will finish the day for you.

Can't read Hebrew? No problem, say it in English, Greek or even [Swahili](#).

Hey you! Yeah you! Lurker in the back! I'm talking to you! Step up and take a day.

Triple bonus points to anyone who's first post is on this thread taking a day.
