

My ENTIRE story

Posted by Muttel - 10 May 2024 18:05

I've just joined and would love to share my story to get support from this amazing platform. I grew up pretty sheltered and innocent. When I was 12 (26 years ago) a friend invited me and brought me to his basement and promptly showed me a nude photo (no real porn vids in those days and it took time for pix to load). I succumbed and it would be a 3x weekly trip to his basement. Of course mutual hj's and bj's followed until I finished elementary school. This went on and off until I entered shidduchim when I stopped - thinking I was done for life. Enter Covid. After being clean of P&M and shmiras einayim for 12 years I stumbled during covid. Porn, phone sex, shmiras habris everything one can do without a partner.

Though happily married, I couldn't stop.

I visited a therapist and it helped for a bit but any device I encountered was dangerous. I filtered computers and phones. Recently I moved into a new office and a non filter able screen was there. BH I cut the internet chord 2 days ago. Yesterday I stumbled into 800 numbers and BH was motivated to sign up to GYE. So embarrassing and I shudder to think of my trial upstairs.....

I'm sharing this with the hope my expressing myself will lead to my keeping my commitment to being here going.

gut shabbos!

Dear GYE friends,

Today is a special day for me, for 2 reasons she'heim achas.

Today is my personal erev Shavuos, my personal kabbalas haTorah after 49 days of reaching so many rungs of madreigaos in taharah... I'll be hearing my personal "Anochi" after having bh, through the grace of HKBH reached this point with the help of all of you!

This wonderful feeling is augmented by having read about PY and Eerie's clarion call to action to take what's been given to us and passing it along to others. The second reason why today is special is because I'm happy to report: I've got a second talmid in the bag!!!!

What makes me so joyous about it is that he didn't open to me like my first. I initiated with this one, chosemyahem's letter to his Rebbi in my mind's eye when I sat him down and opened the door of communication wide open..... he came back the next day (yesterday) asking for tips and help in controlling his urges and I began giving him HHM's shmooz, woke up this morning to find a one word text from him - "clean". What joy and happiness! That one word engenders such feelings of strength, accomplishment, challenge, and most of all, purity.....

It'll be a long journey for him, but we're looking to change the world, one bachur at a time.....

Signing off full of joyous emotion,

Muttel

WOW WOW WOW!!!

It's been a little while since a post has gotten me to cry. Muttel, that is AMAZING!!! Your purity

shines through your beautiful words!

And your talmidim are so lucky!!!!!! Watching you soar, watching your impact grow, it's making me cry. Ashrecha Yisroel!!!

The sun's rays glistened off of his orange beard,

The sweet smile accompanied by a strong, quick hug.

Before long they were engrossed in conversation,

oblivious to those around them.

Sharing game strategies, experiences on the court,

two teammates full of adrenaline to take on the opponent.

Teammates is weak by way of comparison; they are rather brothers bonded by challenge,

struggle, disappointment, courage, success, and most importantly, growth.

The connection is what carries the successes,

The communication solidifies the bond.

Mutual respect fosters action, and action fosters mutual respect....

'Twas a glorious first meeting, the first of many more!

I'm a few days late in posting this:

They walked down the small flight of stairs entered the well-appointed living room/ dining room like 2 Generals hunkering down in their bunker strategizing their troops' operations.

Many ideas flowed back and forth. The one with salt and pepper on his face sat in amazement and with

boundless love and respect hearing about his younger counterpart's Holy Operation.

Reflecting on how someone's years of falls developed into a burning life's mission seared a deep impression.

The minutes flew by and quickly the critically important highly classified meeting came to a close.

The purity on his shining face combined with the joy and conviction in his all-important undercover role

Leaves one gaping with awe.....

'Twas a sweet meeting, with many more to follow!
