

My ENTIRE story

Posted by Muttel - 10 May 2024 18:05

I've just joined and would love to share my story to get support from this amazing platform. I grew up pretty sheltered and innocent. When I was 12 (26 years ago) a friend invited me and brought me to his basement and promptly showed me a nude photo (no real porn vids in those days and it took time for pix to load). I succumbed and it would be a 3x weekly trip to his basement. Of course mutual hj's and bj's followed until I finished elementary school. This went on and off until I entered shidduchim when I stopped - thinking I was done for life. Enter Covid. After being clean of P&M and shmiras einayim for 12 years I stumbled during covid. Porn, phone sex, shmiras habris everything one can do without a partner.

Though happily married, I couldn't stop.

I visited a therapist and it helped for a bit but any device I encountered was dangerous. I filtered computers and phones. Recently I moved into a new office and a non filter able screen was there. BH I cut the internet chord 2 days ago. Yesterday I stumbled into 800 numbers and BH was motivated to sign up to GYE. So embarrassing and I shudder to think of my trial upstairs.....

I'm sharing this with the hope my expressing myself will lead to my keeping my commitment to being here going.

gut shabbos!

Quite a bit to report.

i met yiftach for a talk of a lifetime. Funny that the one on the other side of the world is one of the first GYE members I meet. Heretofore, id spoken to him twice but felt closer than a brother..... the most amazing part of GYE, how we're here for each other.

such depth of feeling and emotion. Such ahavas/yiras shamayim radiating through! Such a pleasurable person to connect and open to, and such a miracle for GYE and the malachim therein!

Thank you Yiftach for taking the time for us to really share experiences and open to each other!

*Sweat glistens on his flushed face like morning dew,
His jacket slung casually over his shoulder,
A lone figure in a landscape of giants,
Yet, a giant in his own right,
He humbles himself before one less experienced and younger,
Bound by the same battles,
They share insights, forging a bond,
A true friendship blossoms,
They exchanged only brief words before,
But the deepest bond swiftly grew,
Sitting together for hours,
Like comrades in arms on the battlefield.*

'Twas a wonderful hug!

When I was just in the airport, one of my best distractions was the GYE forum. Methinks it works better than a paper bag.

Yes!!!

The thought of someone that looks like your avatar image, babysitting PY and claiming to be the epitome of trustworthiness makes me laugh!!

PY, are you okay out there? If you need to be saved, just holler!

I think the arrest will come now for the ultra Orthodox Jew laughing on line at passport control looking down at his GYE screen too suspiciously....

Did I actually say anything about *me* being the one to save you?

Does YKW ever "save" anyone, or any other do-goodery nonsense?

Holler away, my friend. Perhaps *someone* will hear you...
