

Thompson, with a 'P', as in psychology
Posted by thompson - 01 Jul 2024 18:22

Hello, dear brothers, fighting the good fight.

I'm Thompson, and I come in peace - I don't bite.

I've tried many times to quit, and every time fell flat on my face prematurely.

By now, many porn sites have my email address stored (hopefully) securely.

So I figured, what harm can it do if I attempt to kick this via another anonymous online account -

Resembling the others - all of which only in an incognito window do I mount.

I'm now on day three in my quest toward a clean life,

I pray to our heavenly father that this time, I should get there without much strife.

Amen

Can't argue with that. I've been posting for years (under different accounts), and it still takes emotional strength and a lot of patience. But sometimes it's worth the effort.

At your own pace.

really? wow thanx for telling me i never heard anyone with this struggle i thought i was really nuts (i still think its a not normal to have such a trigger but its not the only weird trigger i have and as much that i looked i never saw anyone have these triggers)

Not to hijack here - but definitely not weird. Many have this struggle and as the great Thompson has stated, recognizing it as normal is key to overcoming it. Parenthetically, the Noda BeYehuda has a teshuva writing of a very choshuva yingeman (slept on a bed only friday nights because he was such a masmid) who slept with his shvigger for 3 years. the noda beyehuda didnt think it was weird at all.....

It likely means exactly what your fantasy thinks it means.

I don't think it's important whether the Noda BeYehuda thought it's weird or not, but rather, here you have a guy who was to all external appearances a choshuv guy and his shvigger was his trigger (and then some).

???? ?????? - ?????? ??"??' ??' ??'

You can see form his response that he didnt think it was weird. And yes, he had intercourse with his mother in law (it began before he was married) for 3 years. She was married the entire time.....

Here's an idea for a title of a thread:

My Shvigger My Trigger

I have a lot to post there right now.

Oh lord.
