Hi this is my thread

Welcome aboard!

Hmmm, this sounds like a serious problem!

Rest assured, you came to the right place! Welcome to the family, here we are brothers, mammash like family. Come, here's a hug!!!! (And a kiss on both cheeks too)

I am not really qualified to offer much advice, but here goes:

Did you ever read the Battle of the Generation?

Ever reached out to HHM?

Took a cold shower?

Do you have a filter?

How about some accountability?

Reaching out to some of the chevra here can be life altering.

Here's another hug...you've got this!!!

With love and tears, -YKW

Indeed, this is a most wonderful place full of warmth, care, and acceptance.

Post about yourself, read around, and if you're daring, reach out to some of the most wonderful people here on this site!

Toolbox ?

Hmm...

What do you mean?

Your problem is in your toolbox? Is there an unfiltered device in there? What else do keep in there?

Please don't be embarrassed to share, we really understand and accept you...

Thank you for the honest share.

A lot of guys find some internal resistance when they get on the site. Perhaps it's 'cause they are worried about giving up their precious lust. Other people are nervous to be vulnerable. Either way they deflect, joke, rant, grouch, lash out, and otherwise fail to interact.

Don't worry, we can take it. Take your time, settle down, and then why don't you share a little about your struggle (when you feel comfortable of course).

Hey Red nose, you askin' for Cordnoy? Why don't you get dressed first, huh? I mean, sittin' in your basement in PJs, typin' about this bein' your thread, where's that goin' to get you?

First step to recovery-find the nearest synagogue, wait 'til the room is fillin' up with people, get up there and announce "I have a problem. I ogle, stare, follow, and do whatever my lust tells me to do". That'll be bravery.

I don't mean for you to go do it. Just tone down the cheerleadin'

What do you mean when you say it's your thread? This is a public forum and nobody owns

anythin'. If you don't like that, well, there are a quazillion other websites where you can feel comfortable.

Who you sayin' hi to? A bunch of perverts? Spill the beans. What's your issue? I don't know if anybody can help. but maybe by some miracle you'll get helped here

I don't know if I mean it. Givin' food for thought

Godspeed

Hi this is my thread

What makes this thread yours?

Do you own it?

Do you pay for the bandwidth or server space?

Can you keep some of us from posting on it? (It's not in the BB section.)

No, no, and no.

This is our thread.

Whom am I kidding? It's Yaakov Nadel's thread.
