

how to access GYE during zman

Posted by tzaddikvikam - 25 Aug 2024 09:24

Hi, I'm a yeshiva bochur that sort of found GYE, and realized that this what i was looking for for a long time, and is exactly the chizuk/help I need. I'm just getting started over here, but I'm starting the zman soon, and wont have any access. I'm starting a new yeshiva, so talking to the hanhala / rebbeim isn't an option. I know there's a hotline, but I don't think thats going to work for me. Any eitzos?

Shalom TzaddikVikam and welcome,

I'm glad you sort of found the chizuk/help here.

Would you like to mention a bit about what you are going through and looking to work on with GYE? Anything you've tried before that did or didn't work?

Why is it that you think the hotline won't work? Would you talk with a mentor over the phone?

Many Yeshivos have at least one Rabbi that is known for connecting with the bachurim for hashkofo. Perhaps you can identify the Rebbe you like and pursue a relationship early on. If it clicks, you may feel ok opening up to them after not too much time.

Hatzlacha Rabba

I have adhd and cant focus on any recordings, but a mentor would probably work if its someone i feel comfortable with.

Is there a way that I can reply just to you, & not on the forum for everyone to see? I'm still figuring this site out.

If you click on my username it should take to you my profile page. There is a little speech bubble icon that you can click to send a private message.

Sure looks like it's not where it would be. Maybe there is a setting that turns on/off the PM option.
