

how to access GYE during zman

Posted by tzaddikvikam - 25 Aug 2024 09:24

Hi, I'm a yeshiva bochur that sort of found GYE, and realized that this what i was looking for for a long time, and is exactly the chizuk/help I need. I'm just getting started over here, but I'm starting the zman soon, and wont have any access. I'm starting a new yeshiva, so talking to the hanhala / rebbeim isn't an option. I know there's a hotline, but I don't think thats going to work for me. Any eitzos?

Is there a way that I can reply just to you, & not on the forum for everyone to see? I'm still figuring this site out.

The forum is anonymous and is supposed to be a **safespace** for people. It's understandable to not be comfortable sharing certain things, but is there anything general that you'd like to talk about?

Try sending an email to GYE. I shared the address above.

To answer your original question, it is possible to email some of the wonderful people here, HHM at michelgelter@gmail.com, or Chaim Oigen at chaim.oigen@gmail.com ProudYungerman at proudyungerman@gmail.com. You can connect to these wonderful mentors, and they'll be available even when you can't reach GYE. BTW, even when you *can* reach GYE, these are some of the people you should be in touch with

The only options are using this website, including private messages, the hotline, speaking to Hashem Help Me the main mentor at michelgelnier@gmail.com, buying the book The Battle of the Generation and speaking to your mashgiach. If you can't use your phone for the hotline or a computer to connect to the website you have no other way of connecting to us. We don't give out emails and phone numbers and frankly if you can use emails or phone numbers then you can use the website and the hotline. Without a phone and computer all you can do is buy the book and speak to your mashgiach. We can't meet a stranger in person for safety reasons.

Shalom avifl,

If you don't have a plan (zman starts in just days) and were going to do only one thing, probably contacting HHM would be the the best one thing most people could do.

I spoke to GYE support, they said you need to be a member for 30 days before you can pm.

when i joined a bit over a month ago the way it went was: PM was available right away and chat option i needed to wait 30 days for.

My PM worked right away though for a few days in middle it stopped working. It started working again a few days later.

Maybe they switched the policy or u were mixing up pm and chats.

Hatzlacha!
