Just gonna share that i had a very close relative by me for shabbos, which in the past was a stress..... because of the lack of connection...., and would end up feeling depressed..... but bh this shabbos went amazing! i felt comfortable with myself and it seems like they did as well! truly importantly amazing accomplishment, just a few weeks ago i wouldv'e said impossible!!!!!!!!!!!!

Planning ahead of a possible nisoyon.. Just what you advised me to do!

I can learn from words ..but so much more real to learn from deeds.

Thank you!
