

I'll try to share some of my journey

Posted by trying23 - 03 Feb 2025 19:59

Today's Hayom Yom

? ?????? ????? ?????? ??? ?????? ?????? ?????? (????? ??????, ???' ? ??????) ????? ??? ????? ??
???, ????? ?? ?????????? ??? ?????? ??????, ????? ????? ?? ????? ??? ??? ?????? ????? ??? ?? ?????, ???
???? ????? ?? ??? ?????????? ??????. One must recite words of Torah copiously, saying Tehillim or
verbally reviewing Mishna whenever and wherever possible, in order to bolster the existence of
Creation, to be saved from chibut hakever and kaf hakela, and to merit all the highest
revelations.

I'm not thinking about the kaf hakela after 120 but this can probably also help our day to day kaf
hakela when we go from being in the world of torah and being a good person to the complete
opposite extreme where we follow our eyes and thoughts.

Maybe later I'll post more about myself...

To me, this is indicative of real progress, when the urges come, and we somehow figure out
how to manage them. Understanding how our YH works, is also helpful, as a tool before we're
in his clutches. Once we're in grip it's often too late. Keep on trucking and moving forward! One
day at a time, one urge at a time.

I'm making a quick in and out trip which means lots of room to slip.

Here's the plan

1. I made sure to take a companion and although he's not thinking to look out for me but I don't want to get "caught"
2. I'm posting here that although I'll be in a airport 4 times within 24 hours I'll try to be extra vigilant to not let my eyes and thoughts wander
3. thinking to learn something on the way there and think about the purpose of my trip

let you know how it all went tomorrow night

Day 14

2 weeks

BH my trip went well I managed to keep myself distracted by staying on the move when possible and when just waiting around I went to a quiet area, I learned a little and had a companion to keep me busy.

Now I see that I can do it, I still need to be careful but it's attainable

Mazel tov!!

Not on two weeks, but on realizing that its attainable. If you did it once you can do it again!!

My friend your growth and aspirations to be closer to Hashem is awe inspiring!

Day 16

Today we did bedikas chometz, my chometz isnt really hidden I just need to get rid of it.

I think every year by the yehi ratzon the thought crossed my mind that hopefully this time ???
????? ??? ??????? ??????.... now I think I will come to biur chometz a little further in the journey

of getting rid of it. I don't know of a physical Korban pesach that I can bring (besides for the entire internet which I don't control) as @vehkam writes on his thread but I will again be asking hashem for help in getting rid of it for me.
