Shalom Brother,

Absolutely no pressure. There are lots of great tools here and you can still connect with the chevra and decide later if you want to share more or not.

Welcome to the warmest family in the world!

Here you will find true care, concern, and warmth.

Here you will learn that you CAN break free!

As has been mentioned, there are many tools here to help you in this fight. Some of them you may be familiar with, some may be new.

There is the F2F Program, the Vaad Program (click here for an explanation of what the vaad is), and the book The Battle of the Generation - many have found this very helpful in reframin' the struggle, as you mentioned.

Posting is a great way to connect, learn, and grow also.

(The Hall of Fame Thread is a great compilation of some the great threads on GYE.)

There is also an extremely powerful tool of accountability, friends, and mentors, as has been mentioned, that has helped hundreds - myself included.

HHM - Hashem Help Me - is the mentor-in-chief around here. He's reachable at michelgelner@gmail.com.

Some of the other great guys here are Eerie - 1gimpelovitz@gmail.com, Muttel - muttel15@gmail.com, Reb Akiva - mevakesh247@gmail.com iwantlife - iwantlifegye@proton.me minhamayim - minhamayim1@gmail.com amevakesh - amevakesh23@gmail.com

Keep postin', you'll see, the oilam is here for you.

Lookin' forward to seeing great things from you!

And don't forget, as always, KOMT!!

Hi

You are a Yeshiva Bochur! There is so much to you, your are a remarkable asset to the community. Yes, you (just like a great many other bachurim) have a certain challenge. But that challenge does not define you. It is just a single ??? in the ???.

Remember that your friend is exactly the same. He has ????? and he has ???????, and there is a great deal more to him than what he told your on ????? .

I would venture to say that a very big ??? of your ????? share this same exact struggle.

We have a weakness, we are hopefully trying to control it, but we don't allow ourselves to be defined by it. Same goes for you, save goes for him.

So on purim when I was drunk, I shared my struggle with my friend. He said that he has the same problem. Now I feel uncomfortable with him.

I guess now you know your normal and healthy!

So many of us struggled, mostly cause we were never taught how not to struggle. There is a mehalech, pretty simple actually.

Getting to understand ourselves, our bodies and our sexuality. Understanding what Hashem wants from us in this crazy world, and having a support system of friends who care for you to beat this.

I would venture to say that the best way to get there is by talking to one of the mentors on here, and keep on posting, we really wanna hear how your doing, there is no more caring and non judgmental place than GYE.

I haven't heard of a Rabbi Kimmel, but what I CAN say is that there are so many amazing people here that want to help, and you can reach out to. I'm around the same age as you and struggled for a very long time with masturbation, feel free to shoot me a message if you want to talk.
