

Starting college

Started taking classes in the evenings. Couldn't go to touro because they do not offer what I am majoring in. It's a culture shock for me. Not used to being in mixed classes or taught by women. Having a difficult time adjusting and dealing with the nisyonos.

Feeling for you... Its hard being in a situation when you know you're going into a nisoyon.

But, on the other hand, you know you're going into a nisoyon, so go in battle ready!

Maybe make some gedarim/rules for yourself?
