Hello all.

I can't believe I'm here.

I visited a male P. tonight - the second time in my life. But I'm a frum Baal Haboss. I have a wife and children. I'm successful financially and friends and everything. I've got nothing missing in my life BH. I've even got a married child. I learn once or twice a day and have a pretty good name in the community. I give \$100k plus to tzeddoka annually.

So why?

I'm so lost and confused and disgusted and disappointed- I don't know how to handle this.

For the record, I've never been oiver M"Z. But close enough. Been MZ"L together with the male P.

I'm lost and lonely and worried for the future.

I was brought here by chance. I hope it's a successful journey.

I'm signing off but wow, I'm feeing low.
