Darn that blasted Burmese snail mail!!

Either way...

Welcome to the warmest family in the world!

Here you will find true care, concern, and warmth.

Here you will learn that you CAN break free!

There are many tools here to help you in this fight, some of them you may not be familiar with.

There is the F2F Program, the [Vaad Program](#) (click [here](#) for an explanation of what the vaad is), and the book [The Battle of the Generation](#) - many have found this very helpful in reframin' the struggle, as you mentioned.

Posting is a great way to connect, learn, and grow also.

(The [Hall of Fame Thread](#) is an awesome compilation of some the great threads on GYE.)

There is also an extremely powerful tool of accountability, friends, and mentors, as has been mentioned, that has helped hundreds - myself included.

HHM - Hashem Help Me - is the mentor-in-chief around here. He's reachable

at micgelgelner@gmail.com.

Some of the other great guys here are Eerie - 1gimpelovitz@gmail.com, Muttel
- muttel15@gmail.com, Reb Akiva - mevakesh247@gmail.com iwantlife
- iwantlifegye@proton.me minhamayim - minhamayim1@gmail.com amevakesh
- amevakesh23@gmail.com

Keep postin', you'll see, the oilam is here for you.

Lookin' forward to seeing great things from you!

And don't forget, as always, KOMT!!

Have you looked into upgrading your filters and limiting internet access. It's annoying to limit oneself with different things especially if others around us seem to be doing fine with shvach filters (although never know they may be one of the people over here on this site under cover up name).

Filter isn't THE solution but it's definitely part of it.

you need to be unable to often see triggers or have it easy with a click or two to go back to ????

????? ???.

feel free to email me Jew613613@gmail.com if you're interested in talking more about filter options out there.

If you have a solid filter how are these types of videos and pictures accessible?
