

Hi. My first post.

Hi everyone, fellow fighters. This is my first post, trying to figure out how this forum works. Will post my journey shortly.

This forum seems to be quite complicated and confusing. I'm used to 2025 technology, this system seems older than the internet itself....

Day 56. Struggle is very hard today.

I'm not feeling well, maybe a virus.

Motivation is starting to fade. Strong urges. Loneliness. Stress. Depression.

now I'm trying to beat a week

---

Hashem help me please!!!

Go get yourself a good kosher book and get lost in it. If your not feeling well, rest up and relax. Nothing will happen unless you make it happen. If you have an urge, let it pass. Nobody can force you to fall, realize that you have a choice. You know how you will feel if you choose holiness. You know the other option. You will feel infinitely worse.

Stay with us, Tzaddik

**Yossef, do me a favor and COME ON! Ok??!!**

You're a big boy... you're not gonna let yourself down now. You don't need me to tell you that this UGLY YH is the one playing you! He took things up a notch, you can see it yourself if you read through your recent posts — you're hanging on in a war zone inside.

And yes... it feels like he's stronger than you, right? Sure, he's got muscles. He's been in this game for a long time, and unfortunately he's had plenty of "wins" with some weaklings. But with you???!!! No way.

**Come on brother! Show me your fist!** Right now. Not scrolling, not later — now. Make a fist. A

strong one! ... Nuuuu... what are you waiting for??

**YES! This is it!** Hold it tighter, stronger — slam it into the air in front of you! Maybe it looks silly, who cares. I've done crazier, and I'm still standing. Stand up tall, shoulders back, laugh in the world's face!

You're only a short stretch away from hitting your **60th day**. And Yossef — if you quit now, you'll be the loser, left in the mud. The rest of us will keep moving forward without sparing a thought for broken excuses. The decision is right here, right now. **Are you staying ahead or falling behind?**

I don't need your updates. I'll see you Sunday with exciting emojis for your **60th day streak!**

(60???!!! For real???!!! WOW!! How did you make this?? You're insanely strong! You're a gladiator!)

**Warning: Spoiler!**
