

Hi. My first post.

Hi everyone, fellow fighters. This is my first post, trying to figure out how this forum works. Will post my journey shortly.

This forum seems to be quite complicated and confusing. I'm used to 2025 technology, this system seems older than the internet itself....

Hi All,

Today is day one for me on this website.

Wish me luck. My issue is that P is so accessible and enjoyable that even if I am happy and connected to gd closely, I will still fall. Actually, davka when I daven/learn well, I am faced with such a strong urge sometimes I feel like it's not worth being stark. Obviously, it is a test that have been failing for 20 years. I finally realized that this is not a "passable nissayon". Not for me and not for anyone else. I don't think Hashem expects us to pass the test. I think he wants us to reach out for help. Idk, don't take my word but this is a monster that is not simple to overcome. Anyway, my hope and prayer is that this will help. Because if I can't beat this monster, idk where my kids will even start.

you did the right step, many people here can report success stories so just stick around and don't be afraid to reach out for help. I strongly suggest to reach out to one of senior mentors to help you climb this mountain
