**Hello Holy lovely brothers ,**

I'm an active member in the yidish site ??? , and I previously shared my story in detail. Since then, I've been seeing miracles every single day, and I just want to tell you—**yes, it *is* possible to live a clean life.**

I was a strong addict, but now I've been clean for **175 days**. So, holy brother, stay strong—and let's do this together!

your brother yakob

**Mazel Tov R' Yakov!**

So happy to hear about your achievement — it's uplifting to know there *is* a way!

Would you mind sharing a link to the Yiddish site?
