Hi I've been on here for a while but never posted before, b"h i try to check in here once in a day or two. I've been watching p... for over ten years, and tried to stop more than a few times, and my longest streak was for 28 days, and now i'm on the run again ty"h and with your support, i'm on my 18th day today. And I hope to keep it up at least till rosh hashana.

ATB For all

thx for going out of comfort zone, it helps a lot to post so your brothers here at GYE, could give you the chizuk and advise needed to help with this fight, you can't fight this alone, you need these special friends to give a warm hand....
