

Tov veyoshor Hashem al kein yoreh chata'im baderech!

Posted by Yosef Hatzadik - 18 Feb 2010 17:44

Rabbeinu Yonah explains this posuk, (as heard from Rabbi Mattisyahu Salamon Shlit"a) that hashem leads people who were *nichshal* in a chet on the proper way, *ze hu mah sheshalech nevi'im* to teach us the proper way.

BORUCH HASHEM! We were zoche to be directed to this eida kedosha, a truly holy gathering of people who are Hashem's ONLY freinds in this lowly world. [i]Bemokom shebalei teshuva omdim ein tzadikim gemurim yecholim la'amod![/i] We may not be like the tzadikim of previos generations, but in the dark, dirty, dingy, discusting, and degrading society we were put into, {in his infinite wisdom... we belive we are lucky to be in this generation, otherwise we wouldn't be here! HE doesn't make any mistakes!} we can accomplish even more than the amolige tzadikim did! WE CAN BRING THE GEULA! After all, a small 4 watt nightlite bulb will make all the difference whether you bump into the walls or not in if you put it in a room which is otherwise in total darkness; whereas a million candlepower searchlight does little good when used in bright daylight. As CHAZA"L say: *Shraga betihara mai ahanye*.

This forum is for personal intoductions, well... an "anonymous introduction" is quite a difficult feat to pull off. Just kidding, I understand the purpose, to start our connection with others and give/get chizuk.

This writer is a yungerman who has been looking at re'ios assurios even before he knew that he shouldn't be looking at them. He was doing the ma'aseh before he knew that it is an aveira, r"l. At 14 I happened to see the last chapters in the Sefer *Kitzur Shulchan Oruch* and discovered the rotzon Hashem (after double checking with my Rebbe that I understood what I read. I am married now with a few children, Boruch Hashem, and have been struggling with the yetzer horah since then.

Since I do consider myself somewhat of an oved hashem, after all I am jewish too, the last couple of months I generally managed to withhold from looking at the worst, but I did indulge in looking, searching, and staring at pics which my filter did let through as they are not classified as dirt in the lowest sense of the word, but were enough to be meorer the ta'avos in my heart. They were against the rotzon Hashem. The proof is that yetzer horah was pushing me to do it, and even more so, the results of these pics were often tumah ma'asim.

Brov rachamov vechasodov, I was zoche to be directed to this great and holy site by a Rabbi

who knows about my struggles (I am forever indebted to him for this refferral!) and with much siyata dishmaya and the chizuk I recived from this site, I was zoche to have a higher level of shmiras einayim for the last 29 days that I haven't had since before I was a Bar Mitzvah!

Yasher Ko'ach to all the good jews who set up this site, to all those that post on this site, to all those that help fund this site, and to all those dear friends of Hakodosh Boruch Hu who value true kosher SIGHT!!!

Yosef, just checking how things are going. Saw you were alone in the office today. Hope everything is A-Ok.

Do you have a spy satellite? or did you see my post in the '**Thought I was cured....**' thread? Either way, you should know that I am fine! [With a bit of help from [b]Yiddle2[/b]! :D]

Hey! That isn't a bad idea! how about using all the surplus funds from Guard's recent fundraising trips for a GYE Spy Satellite? We will beam it only into our members' locations, of course. This way we won't have the problem of *yichud with the internet*!

Guard doesn't have to worry about losing his anonymity since his hat covers most of his face anyhow. As for the rest of us? I am sure one of the tech savvy GYE'ers can program it so that

the faces should be automatically reconfigured to match the crowns that we're wearing on the Wall of Honor.

Lets go guys start shaking the site up a bit. Are you all in De Bungalows?

Does this nonesensical post qualify? (Does it belong in the '**Just Having Fun**' section of the GYE Forum?)

Or maybe I felt an overwhelming surge of Kedusha from someone being kovesh their yetzer and I figured its got to be you.

Sounds like someone's been listening to Dr. Midos tapes.

we sure hope I don't forget *everything* that I learned while growing up! :-\

BTW, I didn't even hear Dr. midos as a child. I only have it from Oorah's pre-pesach CD that we got in the mail. ;D

Didn't see that yet - love the tapes, and the songs, too - I just got the song CD recently (though was a bit dissappointed that it didn't include all the songs, even though there would've been room for them on the CD).

I think I discovered the 4th dimension!

1. The Real World(?) = the world around us.
2. The Fantasy World = the one we tried entering
3. The World of GYE = this fantastic forum
4. The World of **Duvid Chaim & Steve's** 12 Step Phone Groups = A world galaxy universe dimension in a category by itself!

WARNING! I am just joking with the following message. please do not take it seriously!

I just came across the following in Guard's Pesicha at the Chanukas Habayis of the Bais Medrash section of the GYE Forum:[guardureyes wrote on 18 Jun 2009 06:54:](#)

I made them moderators because they already post a lot of great Torah thoughts. (Forgive me if I forgot anyone else who posts a lot of Torah)... Indeed, anyone who posts **a lot** on this forum will bl"n be upgraded to moderator of this board as well.

So I wonder, why isn't little me also a shamash in this holy place? Currently, I think, I am the biggest nudnik on that board.....

WOW!

WOW!

WOW!

There is little more that I can say when I think into Hashem's showing me his Presence yesterday! 8)

I was driving with two of my kids and stopped at the side of the road so that they can watch
Immediately,
I realized that I am in trouble and that I ought to contact one of my dear GYE buddies to get me out of the situation before I reach a point of no return, R"L.

Problem. :-\

Kids in vehicle.

Can't talk in front of them. :-X

Within 20 seconds the younger one fell asleep. The other one was sleeping in another 30

I tried another good guy from here; he didn't answer my call. **Steve** did respond to his ringing telephone and graciously gave over twenty minutes of his precious time! :D

some horses grazing. In the midst of this idyllic scene I chanced upon a trigger >

I was excited! I was floored!

Continuing the brocho, the entire time that the neshomo is within me *Modeh ani l'fanecha ... ribon kol hama'asim*, I remembered that the word Modeh is not only an expression of praise, it can also be translated as 'recognize' or 'admit'. Now I understood the words that I was saying that as long as I live I **proclaim** that Hashem is the Master of all happenings! A recognition of A&W Moments! For me this was an A&W Moment!

I was stunned! I was flabbergasted!

I wanted to share this moment with someone, but couldn't think of whom I can call. I don't have many phone numbers - yet, and I don't want to over-use those that I do have. (Sort of like saving them for when I REALLY need them.) The thoughts were marching through my mind like soldiers on a parade ground, platoon after platoon, wave after wave. One leading into the next. "Why do I want to share this with someone else?" I asked myself. The realization hit me. Because I am looking to *connect* with another person! "So why don't I just connect with Hashem?" was the logical thought that came next. It dawned upon me that I had no idea how to connect with Hashem! Now I started thinking about how **Steve** tells us on the 12 Step Calls to look out for **A&W Moments** in order to train ourselves to see Hashem's presence in the world around us.

With these thoughts in mind I commenced the next set of brochos. *Boruch... Asher nasan lasechvi vina lehavchin bein yom u'vein loila*. A blessing that Hashem gave the rooster intelligence. A blessing on recognizing the intelligence inherent in the world around us. A blessing on recognizing that Hashem is the sole Source of all the intelligence inherent in the world around us. A BLESSING ON **A&W MOMENTS!!!** Not uttering a blessing in vain is one of the Ten Commandments. Chazal did not institute blessings in vain! We are to make a brocho every morning recognizing and thanking Hashem for giving us **A&W Moments!!!**

I was ecstatic! I was awed! I was overwhelmed!

I could not control myself any longer! I dialed **Steve**'s number. Thankfully, he didn't answer my call. I quickly said only this last point as a message in his voicemail, stepped into Shul, and started davening. Needless to say, my davening that day was on a different plane than most

days! I felt like I was in a different realm than other days!

There, I did it. I wanted to record those moments and emotions for posterity. The feeling have died down in me already, as usually happens after a cool-off period goes by. At least now that it is written, I, and anybody else who may read this thread, can be re-inspired again at a later date.

A&W Moment:

This morning, in shul, as I was walking toward the room that they were davening in, I suddenly quickened my pace and headed toward the side door. I had no idea why I was doing this.

As I entered I happened to glance at the front door. Lo & behold, it was locked!!!

....And just the the Chazan started saying Kaddish!!!

If I wouldn't have walked quicker and/or if I would've gone first to the front door, I would've had to go around to the side door and I would've missed kaddish!

Now I knew why I was quickly led in through that specific entrance!!!
