

Tov veyoshor Hashem al kein yoreh chata'im baderech!

Posted by Yosef Hatzadik - 18 Feb 2010 17:44

Rabbeinu Yonah explains this posuk, (as heard from Rabbi Mattisyahu Salamon Shlit"a) that hashem leads people who were *nichshal* in a chet on the proper way, *ze hu mah sheshalech nevi'im* to teach us the proper way.

BORUCH HASHEM! We were zoche to be directed to this eida kedosha, a truly holy gathering of people who are Hashem's ONLY freinds in this lowly world. [i] *Bemokom shebalei teshuva omdim ein tzadikim gemurim yecholim la'amod!* [/i] We may not be like the tzadikim of previos generations, but in the dark, dirty, dingy, discusting, and degrading society we were put into, {in his infinite wisdom... we belive we are lucky to be in this generation, otherwise we wouldn't be here! HE doesn't make any mistakes!} we can accomplish even more than the amolige tzadikim did! **WE CAN BRING THE GEULA!** After all, a small 4 watt nightlite bulb will make all the difference whether you bump into the walls or not in if you put it in a room which is otherwise in total darkness; whereas a million candlepower searchlight does little good when used in bright daylight. As CHAZA"L say: *Shraga betihara mai ahanye*.

This forum is for personal intoductions, well... an "anonymous introduction" is quite a difficult feat to pull off. Just kidding, I understand the purpose, to start our connection with others and give/get chizuk.

This writer is a yungerman who has been looking at re'ios assurios even before he knew that he shouldn't be looking at them. He was doing the ma'aseh before he knew that it is an aveira, r"l. At 14 I happened to see the last chapters in the Sefer *Kitzur Shulchan Oruch* and discovered the rotzon Hashem (after double checking with my Rebbe that I understood what I read. I am married now with a few children, Boruch Hashem, and have been struggling with the yetzer horah since then.

Since I do consider myself somewhat of an oved hashem, after all I am jewish too, the last couple of months I generally managed to withhold from looking at the worst, but I did indulge in looking, searching, and staring at pics which my filter did let through as they are not classified as dirt in the lowest sense of the word, but were enough to be meorer the ta'avos in my heart. They were against the rotzon Hashem. The proof is that yetzer horah was pushing me to do it, and even more so, the results of these pics were often tumah ma'asim.

Brov rachamov vechasodov, I was zoche to be directed to this great and holy site by a Rabbi

who knows about my struggles (I am forever indebted to him for this refferral!) and with much siyata dishmaya and the chizuk I recived from this site, I was zoche to have a highler level of shmiras einayim for the last 29 days that I haven't had since before I was a Bar Mitzvah!

Yasher Ko'ach to all the good jews who set up this site, to all those that post on this site, to all those that help fund this site, and to all those dear friends of Hakodosh Boruch Hu who value true kosher SIGHT!!!

ZemirosShabbos,

FrumFriend The Star,

An Honest Mouse,

Ur-a-Jew,

Jew-in-Paradise/Progress,

Dov,

1Daat;

WOW!!!

I didn't know that I am sooo popular!

I very much feel the warmth of all your expressions of concern.

If "*K'mayim panim el panim kein lev bnei adam*" is a barometer for cyber-friends too, we must be extremely close, I love you all dearly!

I am sure that Hashem is treasuring each & every one of your tefilos!!!

(Along with all of you who didn't post replies. This thread got more views in the past weeks than it had in a loooong time! I am certain that you all prayed a silent tefilla!)

Seeing all of your concern for my situation, I am compelled to point out Hashgochas Hashem in this matter too:

We all know that Hashem sends the Refuah before the makkah. Well, while my boss told me before Yom Tov that he is thinking about cutting our work days he waited until now to actually take the step. Why?

About one week earlier I received from the government Office of the Professions my official certification & registration for my profession. As soon as I got that letter I updated my resume and started actively seeking a new place of employment. The semi-layoff came at the right time!

(I was originally hired by my current boss with the understanding that I will stay 1 year - that was 3 years ago!)

The refuah is at hand, now we must take the proper dosage. I think I ought to ask my Father [in Heaven] for help in this matter!

We always need to ask hashem for help, even though things seem to be going smoothly "on their own." Sometimes, hashem just makes it easier ofr us to see that we need him!

Hatzlacha, my friend - stay in touch, I'm davening for you!

Just realized:

Slips are worse than falls!!!

Quality of sobriety is more important than quantity.

A slip highlights a weak state of mind versus a falls may be just a momentary lapse.
