

Tov veyoshor Hashem al kein yoreh chata'im baderech!

Rabbeinu Yonah explains this posuk, (as heard from Rabbi Mattisyahu Salamon Shlit"a) that Hashem leads people who were *nichshal* in a chet on the proper way, *ze hu mah sheshalech nevi'im* to teach us the proper way.

*BORUCH HASHEM!* We were zoche to be directed to this eida kedosha, a truly holy gathering of people who are Hashem's ONLY freinds in this lowly world. [i]Bemokom shebalei teshuva omdim ein tzadikim gemurim yecholim la'amod![/i] We may not be like the tzadikim of previos generations, but in the dark, dirty, dingy, discusting, and degrading society we were put into, {in his infinite wisdom... we belive we are lucky to be in this generation, otherwise we wouldn't be here! HE doesn't make any mistakes!} we can accomplish even more than the amolige tzadikim did! WE CAN BRING THE GEULA! After all, a small 4 watt nightlite bulb will make all the difference whether you bump into the walls or not in if you put it in a room which is otherwise in total darkness; whereas a million candlepower searchlight does little good when used in bright daylight. As CHAZA"L say: *Shraga betihara mai ahanye*.

This forum is for personal intoductions, well... an "anonymous introduction" is quite a difficult feat to pull off. Just kidding, I understand the purpose, to start our connection with others and give/get chizuk.

This writer is a yungerman who has been looking at re'ios assurios even before he knew that he shouldn't be looking at them. He was doing the ma'aseh before he knew that it is an aveira, r"l. At 14 I happened to see the last chapters in the Sefer *Kitzur Shulchan Oruch* and discovered the rotzon Hashem (after double checking with my Rebbe that I understood what I read. I am married now with a few children, Boruch Hashem, and have been struggling with the yetzer horah since then.

Since I do consider myself somewhat of an oved Hashem, after all I am Jewish too, the last couple of months I generally managed to withhold from looking at the worst, but I did indulge in looking, searching, and staring at pics which my filter did let through as they are not classified as dirt in the lowest sense of the word, but were enough to be meorer the ta'avos in my heart. They were against the rotzon Hashem. The proof is that yetzer horah was pushing me to do it, and even more so, the results of these pics were often tumah ma'asim.

Brov rachamov vechasodov, I was zoche to be directed to this great and holy site by a Rabbi

who knows about my struggles (I am forever indebted to him for this refferral!) and with much siyata dishmaya and the chizuk I recived from this site, I was zoche to have a highler level of shmiras einayim for the last 29 days that I haven't had since before I was a Bar Mitzvah!

Yasher Ko'ach to all the good jews who set up this site, to all those that post on this site, to all those that help fund this site, and to all those dear friends of Hakodosh Boruch Hu who value true kosher SIGHT!!!

This is a very true idea on another level - sometimes there are things where we alone can't make a difference. That doesn't mean that we shouldn't do our part, even if we don't see other's doing theirs.

I am alone in the office & the Yetzer' is strong.

I want to go home NOW...

The YH wants me to stay....

Who will win?

"Ribono Shel Olam, You said that the YH is stronger than me. it is not 'even teams'. Since the two warring sides are not balanced anyhow, why don't YOU come on my side?"

*Illemalei Hakodosh Boruch Hu ozer lo, lo yachul lo!!!*

It's the first Rashi in this week's parsha. To save yourself from Vayikor and the tumah associated with it you have to do what malochim do "vkora zeh el zeh" they call out to one another. Continued hatzlacha and keep reaching out for help when needed.

Another post which I removed from another thread after I was told that it may be too harsh:

The external problems may switch from 'flavor' to 'flavor', but they will never entirely go away. The only thing that can change is ME!!

*Bikeish Yaakov leisheiv b'shalva - kafeitz alav rigzo shel Yosef...* The Torah is NOT just a storybook, it is teaching us how to live our lives! What is the lesson in this Rashi? That as long as we are alive we will be given opportunities for growth. Sitting back & enjoying the 'fruits of our labors' is reserved for the better world!

GYE Internet Site

L'fi aniyas daati, this website has a wonderfull side to it, but at the same time, it can also (chas v'sholom) spoil someone who is BH not "there" yet . I am particularly refering to some of the stories which are posted. This is very much the geder of M'tamei Tehorim & M'taher T'maim.

I think a system should be introduced where only members should be able to read these stories and only after they have received some sort of screening.

B'virchas Hatzlocho Rabboh v'tizku L'mitzvos.

GYE welcome to our site and thank you for offering how to revamp the site in your very first post. We would like to implement the screening system ASAP, so please fill out the following brief survey:

I am a \_\_\_\_ (tohor) \_\_\_\_ (tamei).

Check all that apply:

\_\_\_\_ I don't know what porn is.

\_\_\_ I can't stop looking at porn, but I'm not an addict.

\_\_\_ I can stop looking at porn if I wanted to, but for some reason I don't want to stop.

\_\_\_ I'm an addict. So there I said it.

\_\_\_ Porn is not my problem, I'm just here because I'm curious

\_\_\_ I masturbate \_\_\_ daily \_\_\_ weekly \_\_\_ monthly

\_\_\_ I don't know what masturbation is but reading the last question makes me want to find out.

\_\_\_ I have acted out live

\_\_\_ I am an actor but what does that have to do with GYE

Note: All responses will be kept confidential. Hatzlacha. If after filling out the survey, your screen goes blank, congratulations, you have been deemed to be tohor and this site is not for you.
