

Tov veyoshor Hashem al kein yoreh chata'im baderech!

Posted by Yosef Hatzadik - 18 Feb 2010 17:44

Rabbeinu Yonah explains this posuk, (as heard from Rabbi Mattisyahu Salamon Shlit"a) that hashem leads people who were *nichshal* in a chet on the proper way, *ze hu mah sheshalech nevi'im* to teach us the proper way.

BORUCH HASHEM! We were zoche to be directed to this eida kedosha, a truly holy gathering of people who are Hashem's ONLY freinds in this lowly world. [i] *Bemokom shebalei teshuva omdim ein tzadikim gemurim yecholim la'amod!* [/i] We may not be like the tzadikim of previos generations, but in the dark, dirty, dingy, discusting, and degrading society we were put into, {in his infinite wisdom... we belive we are lucky to be in this generation, otherwise we wouldn't be here! HE doesn't make any mistakes!} we can accomplish even more than the amolige tzadikim did! **WE CAN BRING THE GEULA!** After all, a small 4 watt nightlite bulb will make all the difference whether you bump into the walls or not in if you put it in a room which is otherwise in total darkness; whereas a million candlepower searchlight does little good when used in bright daylight. As CHAZA"L say: *Shraga betihara mai ahanye*.

This forum is for personal intoductions, well... an "anonymous introduction" is quite a difficult feat to pull off. Just kidding, I understand the purpose, to start our connection with others and give/get chizuk.

This writer is a yungerman who has been looking at re'ios assurios even before he knew that he shouldn't be looking at them. He was doing the ma'aseh before he knew that it is an aveira, r"l. At 14 I happened to see the last chapters in the Sefer *Kitzur Shulchan Oruch* and discovered the rotzon Hashem (after double checking with my Rebbe that I understood what I read. I am married now with a few children, Boruch Hashem, and have been struggling with the yetzer horah since then.

Since I do consider myself somewhat of an oved hashem, after all I am jewish too, the last couple of months I generally managed to withhold from looking at the worst, but I did indulge in looking, searching, and staring at pics which my filter did let through as they are not classified as dirt in the lowest sense of the word, but were enough to be meorer the ta'avos in my heart. They were against the rotzon Hashem. The proof is that yetzer horah was pushing me to do it, and even more so, the results of these pics were often tumah ma'asim.

Brov rachamov vechasodov, I was zoche to be directed to this great and holy site by a Rabbi

who knows about my struggles (I am forever indebted to him for this refferral!) and with much siyata dishmaya and the chizuk I recived from this site, I was zoche to have a highler level of shmiras einayim for the last 29 days that I haven't had since before I was a Bar Mitzvah!

Yasher Ko'ach to all the good jews who set up this site, to all those that post on this site, to all those that help fund this site, and to all those dear friends of Hakodosh Boruch Hu who value true kosher SIGHT!!!

Yosef sent me this, and it's so good I'm putting it here on his thread for all to see.

Gevura!

Autobiography in Five Chapters

Nyoshul Khenpo

1) I walk down the street.

There is a deep hole in the sidewalk

I fall in.

I am lost.....I am hopeless.

It isn't my fault.

It takes forever to find a way out.

2) I walk down the same street.

There is a deep hole in the sidewalk.

I pretend I don't see it.

I fall in again.

I can't believe I'm in the same place.

But it isn't my fault.

It still takes a long time to get out.

3) I walk down the same street.

There is a deep hole in the sidewalk.

I see it is there.

I still fall in...it's a habit

My eyes are open

I know where I am

It is my fault.

I get out immediately.

4) I walk down the same street.

There is a deep hole in the sidewalk.

I walk around it

5) I walk down another street.

A message from Hashem!

The Baal Koreh's chumash had the aliyos split up differently than the rest of us. At the aliya of Chamishi, not wanting to end right at the passuk about going down to Mitzraim, he chose to continue until the settling of Yaakov in Eretz Goshen, which is right where Shishi is in our chumashim. I was given that aliya, so I merited an extra long one. Thinking into the words of the Torah I attempted to 'read' into the pessukim some type of message which may be applicable to me.

I was overwhelmed with finding a clear message tying together the beginning of my Aliya with the final passuk of my aliya!!!!!!

I posted them in the Yosef Hatzadik's Ha'oros thread. over [Here](#) & [Here](#).

I was FLABBERGASTED when, at Shalosh Seudos, I went to listen to a Godol whom I haven't been to in about a year & he said part of what I had thought earlier that day during my

aliya!!!!!!!!!! (The last piece about Yocheved, occurred to me while listening to his divrei Torah.)

And to make matters even more interesting: He included in his divrei Torah about avoiding the zimah, the immorality in our generation; That is is also a topic which he mentioned last time I was there!!!

(Last year he actually said, "... & it is not an excuse to say they are addicted and cannot refrain..." [I, personally, choose to understand his words to mean that we can't sit back & continue to act out with the excuse, "Hey, I am an addict. I am powerless. I cannot stop. - So I have a heter to act out!])

Hallow I am no so good in English but I have to right this one in the tora says too weeks ago that yoseph give for his first child manoshe he said that hshem makes him for got of his fathers home. What's the idea of forgetting of his father's home and why was it had to be his first blasting to hsem? the answer is that yosephs have allot of people whom to blame about his problems and his neyones and he cold also fell and put it on a odder one he cold say that his father send him to a danger's place and ruven because he put him in to the hull and yaheda because he sold him. but he didn't do this things he blast hsem that he makes him forgot of his fathers home and he didn't blame no one and that makes him go over all nesyones I hope its clear enough

A message from Hashem!

The Baal Koreh's chumash had the aliyos split up differently than the rest of us. At the aliya of Hey! YOU are the one who needs to drive distances (at least at first...)

Chamishi, not wanting to end right at the passuk about going down to Mitzraim, he chose to continue until the settling of Yaakov in Eretz Goshen, which is right where Shishi is in our chumashim. I was given that aliya, so I merited an extra long one. Thinking into the words of the Torah I attempted to 'read' into the pessukim some type of message which may be applicable to me.

I was FLABBERGASTED when, at Shalosh Seudos, I went to listen to a Godol whom I haven't been to in about a year & he said part of what I had thought earlier that day during my aliya!!!!!!

I always had a "thing" for finding messages in aliyahs that I received and I once heard Rabbi Paysach Krohn say that there is something to it.

Call me crazy, but also when they do hagba'ah in shul I try to look for my initials. Now, I have a "nun" in my name, so my eyes catch a regular "nun" then I feel like Hashem is happy with me. If my eyes first catch a "nun sofis/ end of nun" going downward into the abyss, I feel like I've done wrong b'einei Hashem. It's amazing how tried and true the system is for me....I think. Anyway, be matzliach!
