

Here we go - Details about JIP

Posted by jewinpain - 16 Mar 2010 20:57

Hello everyone, i have been on here for a while now, but never took the time to introduce myself, so here you will get a chance to take a look at me

29 YO, chasidish, few kids, married for 10+ years, crazy upbringing, crazy family, painful teen years, & a painful live overall, that's y i am called JIP = Jew in PAIN

a bit history of family

I am part of a very large family, dad never worked, so we never had a \$\$, since he never worked he had a lot of extra time to harass us kids, Mom is an abused lady who suffered her life on her own, after she met my dad, we moved around the world throughout the years, which of course made things really nice for us to be newcomers every few years, of course daddy is a very big talmid chocem since he learned most of his days as a youngster, but as our sages in ovas already say learning alone isn't enough to keep u sane, but i guess he was smarter,

Now a bit about myself,

i was a very good naive kid, very eidal, & good learner all the years, never made any trouble in chidar, of course i made at home since it was a hellish place to grow up in, till i was molested at age 9, than Life turned around, & ever since i am in pain Terrible pain, life went on as normal, but deep inside me i was torn apart from guilt, shame, fear, and all the rest, now did i became a bad boy? NO i didn't i just had to keep up and swallowed the pain in me, did i ever tell anyone about it? of course not, as i didn't have whom to tell, & would u take the courage to tell my mlamed, i would probably be taken into the makes room, & get my 39 malkes for being such a bad boy, so here i grow up & become a bucher, still keeping the secret even deeper into me, goin in yeshiva, starting with all the struggles teens have, had to shove off every few months a friend who just wanted to have some fun & add some salt to my open wound, till I went out of that yeshiva at age 14, went in to a small yeshiva for 1 zman, that's when dad got his share big time, that one of my family members went off the derech completely, so his power started to crumble a bit, of course I was sent away from home to live elsewhere, for this few months, than at age 14 ? I was drop shipped to Israel, probably the youngest American boy in Jerusalem who cares, away from home & that's it, in a cretin way I felt free as I didn't need to keep up with the monster, & I didn't even call home for the 1st few months, I started up as a good boy there, but very quickly I decided I don't wana be frum anymore, it's time to go have fun, so I started to

drop out of yeshiva whenever I had a chance, but for some odd reason, the guys who worked with me were able to keep me somewhat in line, even remember 1 scenario, where I decided this is it, I'm out of this yeshiva after a stupid fight with the magid shier, & ran to my place of course negotiations started right away when my mentors found out about & I told them outright I am going to be a street boy from now on, I even got a job for a few days where I earned 6 shekel an hour for operating machinery with my power, so I made some good exercise, I was happy as I was into that's tuff, anyhow they were lucky to get me over for a talk with the amshinover rebba in beit vgan at 4 Am I do not remember exactly what we spoke about , I just recall that he really convinced some way to go back in yeshiva & so I did, for another year, than came yeshiva gdola, had to find a new place, hell started again, cuz who wanted me, I went to a few yeshivas for a interview, but they all said "I'm sorry but NO THANKS, finally a few weeks in zman I landed in a OOT yeshiva in Israel, where I guess they needed more students & \$\$\$ talks, so I was in, I became a very good boy, made lots of progress in learning, again this yeshiva was filled with sex offenders, but I built a very strong wall around me, & stood up like a pro this 2 years I was there, till I 18 & I came home to get married

now I just gave u guys a VERY short diary of what happened through my years till now, but I just done have the koach to wrap it all up and expose it, as I will probably make my desk here wet from tears, so will leave it at that for now,

I came home & again yeshiva didn't wana take me, since I didn't learn for the last zman in the prior yeshiva due to some problems I fell in financially I dropped it all, turned to heavy smoking, & was busy fighting not to go in army, when I really wanted to go, but couldn't do it, so I didn't know a word, so I failed at the interview, again we made some phones calls here & there, & I got in a good yeshiva here in NY, were I got a very good name right away & after 1 zman I was engaged to the girl my JERK FATHER wanted me to, so I had no choice married the frummy he wanted, went in to Kolel, & played along with it, I was miserable as hell 3 months into the marriage, I already bought por* magazines, & I started leading a double life, since I wasn't allowed to work , I had a lot of extra time on my hands, & just gave an opportunity to get worse & worse, chat rooms, adult forums, sex lines, & all the rest, of course I wasn't able to focus on work even after wife stopped working & I had to go out, as I was just busy chasing gals out there, 7 years into marriage I expressed to my wife, that I am not happy with her, & it was very painful for both of us, & she promised me to change for me, so she did come forward a drop, but still didn't help me much & I just got worse & worse, b"h I never ever met anyone so I got clean hands, but my mind & heart are all messed up from this years of doing the wrong things, had many time suicidal thoughts over the past 3 years, if not the kids, I would have done it w/o a blink of the eye, till I came to a braking point a few months ago, & decided that I do need professional help, & that's where I am at now, so wife knows about my molestation I went through so she's looking at me a bit different, but now she feels she is clean from all fo the problems since I am the abused kid, but let's better not talk about this here, so here I am spend 20 years of my life in garbage, didn't accomplish anything, would I get a chance from hashem today to die, I would gladly take it, life is full of struggles & don't know hat people always say u can make it, u can do it, I have tried throughout the years, but till I came to a point that I lost faith in hasham unfortunately, I am working on it really hard, but every few days, when

I hit a bump I fall back,

So what do I want from you out here with this post, a few things # 1 u hear me brag on the forum of different threads every time for somehi9tng else so at least u know where JIP is coming from, # 2 to all of u guys married or not, don't keep any secrets in your life, it cost me my life, my business, & what not, u must play open cards, it does not help hiding stuff,

Thanks for reading & have a good day

you are right.and your question is a very good.and our timing is very different than His.

All I can say is that there were times in my life that I did not think He was helping me, and it was only years later that I realize that He actually was.

He is pulling strings for you upstairs

And now you cannot see it.

one day,and I hope it will be soon, you will.

Tnx yechida, but I just don't know what has to take sooo long I know he is quicker than us, and I know he wants us to be happy so it must be some kind of blockage I assume and I must wonder

what it might be

I think he means that bad chat rooms and bad forums = destruction.

Well, now we have the perfect antidote to the bad: **GYE!**

The Ohr Hachayim on Parshas Shmos (3:8) writes that before Moshiach's time, the Jewish nation will be subjected to the 50th level of impurity. But he also writes there, that before the Redemption the Jewish people will garner the strength to enter into the very "mouth" of the 50th level of impurity and pull out that which the Satan had already swallowed ("le'hotzi boi'lo mi'piv").

And that is exactly what the GuardYourEyes community is doing today. The Ohr Hachayim Hakadosh could not have used a more divinely inspired analogy. We are entering into the mouth of the Yetzer Hara himself and using the very power of the internet/forums/chatrooms to pull out these sparks of Kedusha, these holy souls, that have fallen to the 50th level of impurity!
;D

re:EFT

www.emofree.com/splash/video_popup.asp

(its a video - sorry)

in short it is a combination of tapping on teh bodies meridans and positive affirmations.

I just ordered the freeby materials -

so I can tell you if they are any good or not. But since this is the site from the creator of the program I assume they must be pretty good.

alternative tapping (left /right) with slightly curled fingers on:

the bone under the eyes, then

on the upper lip , then

on the chin , then

on teh spots about 2 inches below the collar bone, then

on the spots where the fingers touch your thigh

add some positive affirmation - you get some pretty powerful stuff!

EFT is used here for trauma victims with high success rates

Hey JIP,

You are really a true gabor. I mean that in a very literal sense. If you have survived through all of what you went through you can surely get through anything that Hashem sends your way. I cannot say that I relate to your story, but I surely feel your pain. It hurts me as well. Every time I hear another one of these stories it pains me so much but then I realize that this person is well on his way to getting his life back on track. I see you are doing just that.

"Ve'Ohavta Eis Hashem Elokecha Bechol Levavcha, Uvechol Nafshecha, Uvechol Meodecha."

Rebi Akivah says that "Uvechol Meodecha" means whatever Hashem sends your way, be it good or bad, you should still love Hashem. I know this is very difficult to attain. I am not saying you should be there *now*, but maybe it's something to strive for each day. I try to have a lot of Kavanah on this part (and the other two parts) of the Pasuk all 3 times of the day that I say it. I don't just have my normal Kavanah. I make it really extra special. At least I should really feel it for those 3 seconds a day and maybe one day I'll feel it 24 hours a day.

Please continue to inspire us. A source of inspiration for people like us is quite rare. You have that rare ability to inspire. Do it through your actions!

....but where is payment, the one who put me through this mess he's the only 1 to pull me out
and I just think its fair to pull me out by now

Well, Chazal say: Schar Mitzva Be'hai Alma Leka.

You are an amazing person, doing so much learning and chesed **in spite of all your pain...**
When Moshiach comes, hopefully any day now, it says that Hashem will reveal himself -
"ve'scharo Be'tzido"...

This world is dark, dark, dark. But it's only 120 years at most; a short little "hallway" to the
palace... What is 120 years **compared to all eternity??**
