

The biggest challenge ever

Posted by MovingUp - 15 Jul 2010 00:23

Hi Everyone, Nice to be part of this community.

I need some serious help

Without getting into too many details, I have been looking at porn on the computer and masturbating for almost 15 years on a steady basis. This past year I have tried to stop as I realize this is out of line and can't continue. Yet I cant stop. Everyday I say I am starting anew yet I keep giving in again and again. I have used filters for the Net, but even when I get away from the computer I can spend hours fantasizing. When Im not looking at porn I am touching myself improperly. If Im not doing that then I am fantasizing Just today I spent hours at work fantasizing about someone. I have done some horrible things because of this lust I dont even feel comfortable describing. I feel like absolute scum of the Earth and can not honestly think of one reason why God could care less about me. When I pray to him I feel like a faker. I really do want to stop but then when the feeling goes over me I cant stop. And then I regret it afterwards. And the cycle continues.

I am really not a bad person but I need help and get myself out of this hole I dug myself into.

Please someone hear my cry! I need a way to stop. I need a real plan. Has anyone ever beat this thing and if so please tell me how. I am willing to try anything.

Thank you form the bottom of my heart

And equally (or more) important is that I know I have Hashem to talk to and help me through this. He wants us to grow through this! Nothing crazy deep, just to talk to Him, about my struggles and goals. I'm not happy about this addiction, but if it wasn't for it, I would still be going about my daily life which was too busy for G-d, and I would have missed out on this opportunity.

Wow! You are thanking Hashem for giving you this addiction - to bring you close to Him!

My grandmother had a Yiddishe saying "Don't make yourself so small, you're not so big."

Meaning someone as small as me should just take whatever compliment they can get and not protest.

So... thanks!! ;D

This prayer says it all

God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference. Thy will, not mine, be done.

So i was feeling a boatload of RID last night - both stress and anxiety. It's scary how I automatically turn to my self-medication - the acting out, to make it go away.

But that's not real living - that's running away from life.

Instead of falling in my downward spiral I spent some time reviewing my notes on the 3rd step just to remind myself that I can only do my best in regards to these things stressing me out, and the ultimate outcome is in Hashem's hands.

"Hashem, I offer myself to you - to build with me and do as You will. Relieve me of the bondage of self, so that I may better do your will"

The Third step prayer is so powerful - it's really what us frum jews should be thinking throughout the day. Most of us don't, but as a sick person I can't afford not to.
