

Hello from Blind Beggar

Hello Tzaddikim! I just found this site last week. I think it is going to make my Rosh Hashono and Yom Kippur. I think the newness of the 90 day chart will get me 40 clean days to Shemini Atzeres but I am afraid of what will happen next. Does anyone have any suggestions?

I have read enough of the forum to see that you are all tzaddikim and all serving Hashem every day clean and again after every fall.

The holy Baal Shem Tov taught that the yetzer horo is more interested in the post-sin depression than in the sin itself.

Blind Beggar who wants to have eyes only for Hashem.

BB, Mah Yesh? Just letting you know you still matter to me, and that you're still the most determined addict, no person, I "know". KOT

When I see the wife of a chosheve choosid or litvishe yungerman and she is wearing shockingly revealing, enticing and provactive clothing which go against the letter and the spirit of the laws of tznus, I have to remember that I am not the tznus police and it is her problem, not mine. Thank you Bardichev.

When a tznusdik woman is getting on the bus in front of me and my face is inches away from the top of her skirt, then I have to remember she is not an all-powerful goddess and that I do not

have to go all wobbly at the knees. Thank you Dov.

Sounds like a good plan!

For me, bards' advice is golden. She is not my problem, not my business...not my anything, really. I have other things to think about and do.

I want to thank everyone who gave me encouragement for these last 69 clean days. With your help I stayed clean as long as I had K9. The minute I had Internet access without K9 I went straight for the shmutz and was only stopped from seeing real porn by the OpenDNS filter. Boruch Hashem I did not masturbate so I am 70 days sober by SA standards.

I feel bad but I am starting my 90 days on the GYE chart from zero again NOW.

KEEP ON TRUCKING

FEHL SHMEHL

EAT KOOGOOOL

ps sounds like your streak was dependent on your filter. All those clean days puts you on a high dargeh. I'choirah a new gameplan might be one that includes fortification for times when you would even come across unfiltered internet. just a thought. keep on being the inspiration

Oh, stop feeling so stinky. You are a great guy. But more than you are a great guy, you are lucky, lucky, lucky! You and I do not deserve all this 'luck'. Be geshmak - you are geshmak. Good enough for Tatty to love you and help you a bit out of your screwiness every day, don't worry. He has not brought you this far to drop you on your tuchis!

:-\*

Always your brother!!!

All my clean streaks, 96 days and 69 days and 27 days, are dependent on my filter. What do **you** do when you don't have one?

I thought that if I saw the ring, I would look away. But now, I know there is a ring, and I don't look away. I am curious. I look for second too long. Now what does he think? Am I looking at his wife? Would he kill me, CV?

Well, at least if he does, your lusting troubles are over!

Hey BB. All the Yiddin fell, fell, fell. "Arbaim Shannah..." And He still gave us the torah! Who loves you? You must be doing some heavyweight kedusha. The yh keeps finding leaks in our defenses. And after each time he gets through, you patch it up and keep going. You are such an example to me to never ever give up. Have a great chag.

Thank you all for your good words. I now have K9 working but

I found a hole in it that I cannot get it to block, so I am going to have to surrender my lust every time I get the urge to go through the hole.

Wishing everyone a great Yom Tov.
