

Hello from Blind Beggar

Posted by Blind Beggar - 28 Aug 2010 21:19

Hello Tzaddikim! I just found this site last week. I think it is going to make my Rosh Hashono and Yom Kippur. I think the newness of the 90 day chart will get me 40 clean days to Shemini Atzeres but I am afraid of what will happen next. Does anyone have any suggestions?

I have read enough of the forum to see that you are all tzaddikim and all serving Hashem every day clean and again after every fall.

The holy Baal Shem Tov taught that the yetzer horo is more interested in the post-sin depression than in the sin itself.

Blind Beggar who wants to have eyes only for Hashem.

Hello everyone,

Be'ezras Hashem, I have not read erotica on the Internet for 43 days and I have not been motzei zera levatola for 160 days. A year ago I would not have thought this was possible. Thank you everyone here in GYE for helping me achieve the impossible.

That must feel fantastic!

I wonder if that's part of what life is about - realizing that many of the things that seem impossible are not.

Still driving my lorry.

53 days since I read schmutz. For the first time in my entire life I have gone 170 days (nearly 6 months) without being motzei z"l!

It feels great to have so much distance between me and the filth even though it is still there below the surface.

It's so nice when the room we are standing in all the time actually doesn't stink, isn't it?
