

Hello from Blind Beggar

Posted by Blind Beggar - 28 Aug 2010 21:19

Hello Tzaddikim! I just found this site last week. I think it is going to make my Rosh Hashono and Yom Kippur. I think the newness of the 90 day chart will get me 40 clean days to Shemini Atzeres but I am afraid of what will happen next. Does anyone have any suggestions?

I have read enough of the forum to see that you are all tzaddikim and all serving Hashem every day clean and again after every fall.

The holy Baal Shem Tov taught that the yetzer horo is more interested in the post-sin depression than in the sin itself.

Blind Beggar who wants to have eyes only for Hashem.

According to the Rules guardyoureyes.org/woh/WOHRules.php an improper site constitutes a

fall. That is much more machmir than SA or K9. Those sites were improper for a religiously observant Jew. So I am going with Elyah on this one.

Clean since then online but not in the street.

Only 2 days on the Chart, but with the help of the Ribono Shel Olam and GYE and SA, I am sober by the definition of SA for ONE YEAR!

19th Adar Sheni 5771 - 19th Adar 5772

Today I will take my glasses off on the bus in town.

Today is 356 days, which are 50 weeks and 6 days of being sober.

Today is the yahrzeit of the Rebbe Reb Meilech, Elimelech ben Eliezer Lipman, who said, (Tzetil Koton 6) if a dirty thought comes into your head you should say the posuk ?????? ??? ??? ?? many times and think of the drosho of Chazal from this posuk, which is that it is ossur to think dirty thoughts.

Today is a new day and I am starting a new life without looking at dirty pictures or writing on the Internet.

Nu, yeah, so... this is a not fall fall. It's not a fall for all the nonsense that SA and k9 talk about. It IS a fall because you broke your OWN sobriety by YOUR terms. My question is why did Hashem direct the yh to getcha? There's a blind spot there that's begging to be understood.

I hope you understand, completely and without any footnotes, that this is a non event between you and me. For me this is something that needed to happen so you could re-claim your work in some deeper way, more committed to Hashem and your relationship with Him.

Hotzlocho my man,

Rebbe Nachman zt"l says we have to see the seichel in every thing. The buses in Eretz Yisroel now have GPS and most buses have a male computerized voice which says the name of every stop before the bus gets there. What is the point of this for Torah Jews?

I am giving you a few lines to think of your own answer.

OK, here's what I came up with:

My bus home from work is literally like the other side of the mechitza in a frum wedding. Literally and without exaggeration. The only way to travel is to remove my glasses for the whole ride and keep my eyes closed for most of the ride. But how do I know where I am and where to get off?

Thank you Hashem for Mr. GPS and his voice.
