

Hello from Blind Beggar

Hello Tzaddikim! I just found this site last week. I think it is going to make my Rosh Hashono and Yom Kippur. I think the newness of the 90 day chart will get me 40 clean days to Shemini Atzeres but I am afraid of what will happen next. Does anyone have any suggestions?

I have read enough of the forum to see that you are all tzaddikim and all serving Hashem every day clean and again after every fall.

The holy Baal Shem Tov taught that the yetzer horo is more interested in the post-sin depression than in the sin itself.

Blind Beggar who wants to have eyes only for Hashem.

Thank you Dov with a capital D. It is very similar to my old one, they are both Kever Rashbi in Meron.

Hello,

Just joined the forum and was intrigued by your name. It brought to mind what Chazal say hat someone who guards his eyes will merit to see the shecinah.

What inspired me to put a strong filter on my computer (later to be broken through by your truly) was an eye infection I developed. My wife was driving me around to get to the doctor. While i knew the area much better than she, I could not keep my eyes open because of the sunlight. I though, "This is not what I want my Olam Haba to look like."

May we all have hatzlacha and healthy eyes.

Welcome desperate Yid.

[BlindBeggar wrote:](#)

The name "Blind Beggar" comes from the stories of Rabbi Nachman of Breslov zt"l. In the story called "The Seven Beggars" the beggar of the first day is really a tremendous tzaddik who has nothing to look at in this world of sheker and gashmius.

I hope to be able to be guard my eyes so I thought it was a better name than No-Hope ???? or Lost Lusting Loser.

We should all be zoche to guard our eyes.

Health and hatzlacha to everyone on the forum.

Keep on truckin' baby, truckin' my blues away.

Keep on truckin' baby, truckin' both night and day.

Readin' what the elephant said to the cat : "got a feather for my hat, tight like that."

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Yeah!

Keep on truckin' mama, truckin' both night and day,

Keep on truckin' mama, truckin' my blues away.

Readin' what the elephant said to the bell, "put off your beat an' it'll be a natural hell."

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Yeah!

Keep on truckin' mama, truckin; my blues away,

Keep on truckin' baby, truckin' both night and day.

Little brown rooster told the little red hen, "I ain't had no lovin' since I don't know when."

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Yeah!

De-de-de-deedle-de-dum-ba-bow, ba-ba-ba-bum-bum-bow ( 2 X)

Bum-de-dum-de-dum-dum-bow, bum-de-dum-de-zow-zow-zay

Yeah!

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Keep on truckin' mama, truckin' both night and day,

Keep on truckin' mama, truckin' my blues away.

Come on gal lets go across town, put our dollars down, we get drunk and clown.

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Yeah!

[Spoken: There's word on the Truck Patches, it's everybody's truckin'.]

Bum-de-dum-de-dum-dum bow, bum-de-dum-de-zow-zow-zay. Yeah!

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Keep on truckin' mama, truckin' both night and day,

Keep on truckin' mama, just truckin' my blues away.

Lil' rooster chew tobaco, hen dip snuff, said he can't shimmy but he'll strut his stuff yeah!

Keep on truckin'...

The seforim hakedoshim bring down not to go to sleep with metal attached to your clothes otherwise Mrs. L. (whose name we never mention) comes to visit. I never go to sleep with my keys attached to by trousers except last Monday when I was not feeling well. *The seforim are right*. I didn't fall, boruch Hashem, but lust came out of the blue without any triggers.

Come on **Nederman**, let's go across town, put our dollars down, we'll get drunk and clown.

Keep on truckin' mama, truckin' my blues away, ah me, trucking my blues away.

Yeah!

91 days and I'm on the Wall of Honor for the 3rd (or 4th) time. My record is 221 days.

703 days clean according to SA's definition.

Thank you everyone in GYE for all your help over the years.

Thank You Hashem.

Today is the 19th of Adar and that means I have been SA sober for two entire Jewish years.  
Thank you Guard and all of GYE and SA. Above all, thank You, Hashem.

Really nice to hear that.

Mazel tov. May we share only simchos together.

Perhaps you can share how you have achieved this....?
