so from what it sounds like, the only (ONLY) way that you engoy yourself if by watching p\*\*\*

you dont like going to simchas, or shalom zachors or doing chesed or any of the other things you say you dont do, now you say that you cant even talk to your wife for 20 min without fakeing it?????? the reason that you only enjoy yourself by p\*\*\* is cus you dont want to enjoy anything. you dont want to enjoy simchas, you dont want to go to a friends shalom zachor you dont want to do chesed, this all equals, that you tell yourself that you want to stop acting out, but you truthfully dont care, sometimes you get this "feeling of teshuva" its all fake because yuo dont want to do anythign about!!!

how about you do go out to a shalom zachor? learn how to be sociable even if you dont want to.

they do sing at simchas and one can grow at them. so even if you dont want to go, go for the singing and the spiritual growth. if you dont want to learn how to and to experience relaxation and a good time the way a jew defines it, then obviously the only thing that you will ever find relaxing is p\*\*\*

ok, i know how women are. do you think you are the only one whos wife says that? do you know what to do? you make a conversation. why not go tell her at the end of the day i found a great vort. or say a vort at the shabbas table,.....theres really so much that you can do to really have a good convorsation with her for more than 20 min

liscen to the nusach of the mechanchim: "either or" either u give her atention with full  
concentration of 20 min and then u r done for the all day, or if you dont you gonna have to "pay"  
)

but whoever enjoys it is one lucky guy

'pay her' w/ attention? this woman is ur soul mate. she wants to share with you her day b/c she  
loves you, she wants to spend time w/ u cuz she loves u, she wants u 2 listen 2 her b/c u are  
her HUSBAND

with much more later on.... (maybe with 3 hs...

i hope who i marry, we can shmooze and tease each other and talk and joke around - why not?  
who you marry is the person you shoudl want to spend your life with- spending life with them  
means spending TIME with them.
