So your getting help from all these responses? .

He for sure is getting helped.

He already got 93 posts in 8 days which are 11.625 per day.

I am here more than 2 months and have got just 71 posts

average post takes to write about 10 - 15 minutes so 11.6 posts a day x 15 minutes = that's almost 3 hours

The time to read the replies add 15 minutes per post = almost 3 hours

He spent the last 8 days about 6 hours daily on GYE

6 hours less por\* every day.

6 hours more using the head and thinking

6 hours of doing something constructive

That's called helped.

Actually, I've come to the conclusion that it's just plain immaturity. LvK you were thrown into life without the basic tools to handle it. Because you know how to learn you think that you have all the solutions and you use your krum sevoras to support your arguments. Hopefully, you'll grow up before you finish yourself off and take down your wife and kids in the process. Hatzlacha and a Good Shabbos.

I'm 38.

I have no idea how old LV is

I'm assuming his low

20s

Having said that

He is a product of a new generation

This generation

Grew up with cell phones and internet and the pushing of the tzniut envelope

I feel bad for him

im 20 dude im more mture than most 40 yr olds when it comes to hashkafos and viewing the world. We dnt blame a 'generation' or outside factors. People have choices to make within the reality they're put in-the ribono shel olom makes sure the prson faces these choices daily. It is how they make theirchoices, oneby one, which molds a persons spiritual wellbeing, personality, and hashkafos. If a person is self-absorbed, or whatever it is, when they are 30 it is THEIR fault thanks to the decisionsTHEY made

Dear LV,

Woah whoa whoa bards >

You are satisfied eating the scraps of bones out of the garbage can - and you have a full course gourmet meal waiting for you called real life with your family. Isn't it pathetic? You think you are happy? If so, why are you bored? Why are you messing up your Olam haba? Maybe messing up other things, too...

Actually I do not know if you are an addict, at all. Only you can decide that, nobody else. **I** think you are just another one of those yeshivish-looking guys who hooked up with a yeshivish woman and is playing the role of a ben Torah pretty well for the perks. Maybe for the Ola haba, maybe for other perks. I wonder if you smoke, too...

And like you said, you are bored. The perks just are not really enough.

You wrote:

im not a goi that even with no taave he go to the club for chiks (makshe azmoi lodaas) and he works and developes by him self the desire..... im not like that, the desire atacks me first.... and i have to get rid of it....

I have met a lot of people in SA over the past few years, and I promise you that I know many dozens of goyim who would not give you a minute consideration. You are not even up to their toes in yashrus, sanity and awareness of Hashem. And the fact that "well, *they* are believing in yoshkeh, and *I* am with the *real* G-d" - is so irrelevant that it is sad. Hashem is so true, yet your relationship with Him is so useless.

If schar v'onesh is what you want, that's fine. But Hashem did not make bechirah and schar ve'onesh in order to punish anyone. He made it all for one reason: to give s'char for mitzvos. Punishment is all the other side of the same coin - it is *not* the point, just a heicha timzeh, at best.

So since your derech is not working for you (if you are still using schmutz) all it does is give life to the Other Side. You are distracted from the whole point of the b'riyah, the Torah, and Am Yisroel. And your response is just, "I like to talk, what's so bad about that? You say your opinion, I say mine? Nu."

The people on this forum are trying to get better. You are too busy feeling better than goyim.

If you decide you want something different from what you are getting (which I doubt), I suggest staying away from frum yidden for recovery and going to an AA meeting to meet some illiterate goyishe farmboys or inner city 'African Americans' who are **sober** alcoholics. If you really listen hard, they will give you a free lesson in yashrus that might help knock some of the silly trash out of your head.

Your life will be better, not worse for it.

If it works, let me know. Otherwise I have nothing else to say.

Now I'll go have a cookie.

Ah Guten Shabbos!

I understand, cannot and would not judge if you are a sheigetz, and am nobody to give you any speeches, being a hopelessly addicted person, myself. If it were not for the tremendous pain that my own behavior brought me to, I'd certainly be still out there spending all my energy trying to 'beat the game'. I'd still be looking at porn and pursuing all my fantasies full-time - and of *course* trying not to masturbate (because I **am** a shtik'l yid).

Maybe you should come back when Life gives you that cold, wet slap in the face that it likes to give us once things get bad enough...in the meantime what is whining about yourself going to

help anyone?
