we don't want to act like a child who can't see past his lollies, especially if the lollies are coated in motor oil

What was the question which bothers you, how many of us wear shtreimlach?

[laagvokeles wrote on 07 Mar 2011 20:25:](#)

tell me there is a lot of haimishe chasidishe guys in this forum? would u say that 30 % are so?

(That's what I was responding to -albeit a drop late)

I didn't realize that the statement you were quoting is a question -just a statement of fact.
