Oh yes i allready cutted (geshniten, chotachi) the wires that provide internet, i took out the possibility of wlan of my laptop, NOTHING HELPS in the long run.....

I dont understand how dos a jewish frum person "relax"? i mean bederech heter.... how? by reading a book? by eatting steake? by waching a concert of lipa? come on!.....

I am not eaven talking about porn! waht about waching films....? thats also included in the "veloi sosuru"! there is also in normal films not tzniesdige woman....., but with what else can we relax?

I have more than 2 children and i am after my 30 years and i study.... i am ven very good at it... very deep... and i enjoy it very very much i can seat in koilel 13 and and sometimes 15 hours!!! true! i can also seat as a regular koilel yungerman 8 hours, nothing really makes a diffrence, after a month and a half sometimes less, i get a "lust atack and sometimes i can struggle for hours sometimes for a day BUT NOT MORE!!!

Hakitzer untill i found this forum, i use to wait to "israuso deleilo" to wake me up, and once it came and i got the cheishek, i gave it all, every time doing the best i can to try to think THATS IT; in a year or 2 ill be so holly il have ruach hakokoksh.

And i lived so deeply with this that every time i spend a lot of \$ cause i cut wires ruin things in the computer etc.....

Just what happens is that the gap untill j get the present from hashem to do teshuvah is getting bigger and bigger.... .

I remember when it use to be days and then weecks, and now im already by a month and a halve.....

Once upon a time there was a man that lived by the river. He heard a radio report that the river was going to rush up and flood the town. The report said that the whole town should evacuate immediately. But the man said, "I'm religious, I pray. God loves me. God will save me." But the waters began to rise. A man in a rowing boat came along and he shouted. 'Hey! Hey you! You up there. The town is flooding. I can take you to safety.' But the man shouted back: "I'm religious, I pray. God loves me. God will save me." A helicopter came hovering overhead. A guy with a megaphone shouted. 'Hey! You there! The town is fully flooded. Let me drop down a ladder and I will help you to safety.' But the men shouted back that he was religious, that he prayed, that God loved him and that God would take him to safety. The man then drownned. When he got to the pearly gates of Heaven, he demanded an audience with God. 'Lord,' he said, 'I'm a religious man, I pray. I thought you loved me. Why did this happen?' God said, 'I sent you a radio report, a helicopter, and a guy in a rowing boat. What on earth are you doing here?'

You want "israuso deleilo" the RBSO is sending you GYE, Bardichev and Dov. What else are you waiting for?

hakitzer taiere yiden:

i am bichlal not sure that this is an adiction more than adiction to speack loshon horo.

just the reason why there is such a trask, (mehumo) with porn, its because its the yesod in yidishkait and it ruins sometimes the sholom bais the kids the job etc, ma shein kein loshon horo....

chazal say that with each time we do a aveiro "nases loi keheter" that is our problem. and i dont know why do we need a professional name for it "adiction".

i am also a mumer leteovoin.... and we have to do teshuva, i dont know why you ppl call it adiction, it looks like a regular aveira, just the diffence is that this aveiro is in our spine in the center of our life, ma shein kein loshon horo dosnt affect all our life its not in the center of life (we think)

bekitzer its an aveiro and a geshmake one.... and we gotta do tshuva!

and veim toimar you see that tshuva dosnt help...., i dont really understand this question, you already managed with any other aveiro to do tshuva? wich one? you never fell after you did tshuva? come on!!! and even if you did, you for sure did not manage with all of the things you have to do tshuva even if you tried....

hakitzer raboisa men daf thisve tin thats it!!

this adiction you ppl call, i call nases loi keheter that chazal say it on any aveiro

riboinoi shel oilom lipa already said "ich vil zan erlich".... ich ouch

Lag- if you have Bardichev talking to you like that, my advice would be sit down and think about what he is saying- Maybe he's right??!

Thats not the way Bardichiv answers normally. So I would take that as israuso deleilo.... and delisato
