

12 Step Recovery and Joining GYE

Posted by ss7107 - 09 Jan 2011 02:02

Gut Voch.

I have been perusing this site for the last couple of days and decided to introduce myself to the masses. I am a married man, FFB and in my low 30's. I have been acting out s*xually since I was a young teenager. At age 23 I came clean to my wife and a therapist about my struggles and even then the word "addiction" was not mentioned. After continuing to struggle and fall, the un-manageability of my life became rampant. In early 2009 I found SA. I began to work the 12 steps of SA towards recovery. Mid 2010 I finally was granted the gift of Sobriety by Hashem. I am forever grateful. I am surprised at the approach that is taken here and awed at peoples ability to remain frum, connected, devoted and respectful of Judaism. I am currently working step 8 of the 12 steps and it's going sloooooowly. I wanted to say "hi" to you guys.
