

Just Today

Posted by bendurdayah - 01 Feb 2011 20:59

I am not in frame of mind to write.

But just to make one request.

To stay clean today.

A one day begining.

Bira deepta, you mentioned deep inside you feel u dont need the forum/guys to bail out of this. I dont know what you learned or not, but in my pirkei avos, it says a chiyuv on every1to knei lecha chaver. and thats to bail out of the yetzer harah stam, not addictions-remember, tell your YH that we here are all anonymous-but in real life, some of us were mighty warriors who used the torah and chizuk approach, and it got us almost nowhere-as the handbooks say, addiction is a disease, not a Yh. For thatyou need a hospital, doctors, medical treatment. Thats what we do here. In real life, alot of us are rabbanim, mechanchim, mekubalim, poskim, tzaddikim-and we still fell into a bira amikta. Its going beyond the baal gaavah in us, the ruach shtus, and

recognizing we have a disease, and that we need others who know the disease. There are even people like myself who went for a long time for expert psychotherapy, and discussed sexuality, and still didnt begin to heal until i came here.

So friend, tell that filthy, scumbucket, vacuumcleaner bag of a yh inside you to go back to ****where he came from (hu hasatan,hu hamalach hamavess, hu hayetzer hara-chazal) and get over here with the chevra! and that you want a smaller group, thats great-everyone's diff.!

really be matzliach, tz90

Absolutely, Tzadik. That's why I'm here. Thank you.

Deep deep inside I accept this. I will work on reaching there, but to get there I must navigate through my current limitations.

one week is wonderful!

the battle of ones FREEWILL - is about the 3 seconds in front of you!

When you are on the internet - better prepare to ENTER the NET.. because its a TRAP!
