

POLL: How were you introduced to GYE?

Guys, I think an honest reply to this poll would help GYE to better use their resources. It would also allow the users ourselves to better understand how we could best proliferate the usage of GYE. Thank You!!

It was actually very funny. I always gave off the impresion of being very frum. (Which I really was, addiction notwithstanding) And so a friend came running over to me to show me the coolest thing ever. He found a Leshem Yichud to recite before watching a movie. It described all the different Aveiros that I must be prepared to do before watching. He thought it was "GREAT!!!" and I played along laughing about it. But inside I was dying. When he told me he got it from a web site called Guard Your Eyes, I said I gotta check it out.

And boy am I glad I did!!!

I've said it before, but I'll say it again. I was up to no good on Only Simchas when I saw an advertisement for something called Guard Your Eyes. I signed up for the 90 Day Chart and the Forum as fast as I could. I only wish I had seen the advertisement 25 years earlier, but Hashem

willed it to be that day and not before.

Guard himself asked this same question: [HOW DID YOU FIND OUT ABOUT GYE? - \(oh, and Where are you from?\)](#)

But some guys always like to start new threads. It sure does help Guard fill up his servers quicker! And it helps make GYE all the more confusing with multiple threads on the same topics in all different sections of the forum....

- 1) Why didn't he put it as a poll?
- 2) I put this up after the Mishpacha article caused a record number of people to sign up
- 3) I think as a poll it is easier for anyone not wanting to go to Guards thread and read through all the data in order to get anything out of it

I saw it on YWN, then I had a life-altering experience, and found the refuah in the machala (i.e. google search).
