

Whatever you do - DON'T ACT OUT

Posted by ontheedgeman - 24 Aug 2011 01:25

I was about to act out today. I had gone for a regular massage and then the idea popped into my head, why not take it a step further and go to a more "therapeutic" massage. Then the words of the gedolim on this website replayed in my ears. DO ANYTHING YOU WANT RIGHT NOW, BUT DON'T ACT OUT. I thought to myself, wait a sec, I can instead go for a coffee and leisurely do some work in the coffee shop? YES! Anything but a perverted massage! So I did that instead. I sat down and had a coffee for 2 hours, caught up on some work. It felt great. No guilt, no wasted \$80, no self-loathing. Just a nice coffee buzz and a cleared Inbox! Hodu L'H ki ton, Ki L'Olam Chasdie.

that's great!

savor the feeling and try to remember how much better life is when you don't have the chain
and ball of lust dragging at your feet
