Looking for advice
Posted by Othniel - 30 Apr 2013 19:59

_____

One of the tips I learned at GYE is to take my glasses off when I go in the store; it helps. But I have a question: how do you respond to people you know if they ask you where your glasses are or why aren't you wearing your glasses? What do you say to them? How do you respond without saying to much?

_____

about the question.

just say i 'm sick of looking nerdy...

ok guys calm down...

really that was a joke....

seriously i was kidding about the whole thing, glasses are actually really cool...

HEH HEH

ahhhhhhh
