

Smoke form the mizbeach
Posted by gyzmuz - 21 Oct 2017 17:41

I can't remember who told me this, but it def. works for me!

When your m,ind wonders to places it shouldn't and things go from bad to worse, think about the smoke on top of the mizbeach and how it goes straight up to heaven, no shaking or blowing in the wind, somehow my erection will within a few seconds disappears. if you have heard of this and know the source, pls let me know. thanks

I tried this idea last night in bed twice and both times it worked

thanx a million
