

What works for me today..

Posted by tzvi - 21 Feb 2018 23:04

My name is Tzvi, and I'm a recovering sexaholic,

My first stop was here, in the GYE forums...

That led me to Dov's Desperadoes...

That led me to the 12 step rooms..

That led me to my sponsor..

That led me to work the 12 steps..

That led me to do a heck of a lot of service work

That led me to taking sponsees

Perhaps God seeing me doing what I need to do, decided Tzvi has acted out enough, time to give him a break.

I'm eternally grateful to you guys for the encouragement, to my wife for catching me, to my sponsor for putting up with me, to the newcomer who helps me remember the pain, and most importantly to my higher power who decided Tzvi should be sober today.

Love you all,

Tzvi
