

Fifty years

Posted by Dovid824 - 06 Jun 2018 16:52

Last week I gathered up the large collection of "schmutz" that I began accumulating about fifty years ago, and bundled it into trash bags for disposal. I also deleted the schmutz on my computer.

As a Baal Teshuvah, this may be the last and hardest step I've taken toward full observance of the mitzvos.

My motivation was I'm facing a life crisis that I don't think I can overcome on my own. By becoming "clean", maybe Hashem will have pity on me and give me peace.

KOMT - Keep On Monsta(er) Trucking

KOMT!!

What does "Monsta(er)" mean?

Monster truck - you know the trucks with giant wheels used to crush things...

I was just writing it in the different vernacular people around here use.

For more info ask Gevurah he's the expert on monster trucks around here

Komt

I know what "monster trucks" are. I guess I'm being slow here, but I don't see the connection between monster trucks and staying clean.

It's words of encouragement like "keep up the good work "

A variation of the "Keep on Trucking" phrase so popular in the 70s, I assume.

Thanks to Hashem, my life has been completely turned around. There are still some financial issues in the background, but I'm hopeful they can be dealt with.
